Principal's Welcome

Hello and welcome to Coláiste Dhúlaigh College of Further Education (CDCFE).

I am delighted that you have picked up our new prospectus. We have exciting and interesting courses that you may like to join. We offer Certificate, Diploma, Degree and Professional Courses from Levels 4 to 8 on both a full-time and part-time basis.

It is our vision to be the premier provider of Further Education in Europe. Our programmes are delivered by a team of tutors dedicated to the highest standards of teaching and learning in a caring, supportive and friendly atmosphere. We want you to succeed and our courses are designed to help our learners achieve their full potential.

CDCFE welcomes adult learners of all ages, abilities and nationalities. We are proud of our learner-centred approach, one that places the needs of each learner first and foremost. Our aim is to prepare our learners for further study or for entering the workforce and to participate fully in the community in which they live and work.

Choosing the right course in the right place is an important decision. Our website (www.cdcfe.ie) has lots of additional information that you will find useful so please have a look at that as well. If you have any questions or need more information, our tutors will be more than happy to assist you. Please contact us at coolock@cdcfe.cdetb.ie or 01 8481400.

Learning is for everyone. Whatever your starting point, you will find a warm welcome in the college. Why not come to one of our Information Evenings and experience it for yourself?

I wish you well in whatever course you choose.

Mary Hickie

Principal

CDCFE is a constituent College of City of Dublin Education and Training Board.

------------------------------------	----

Work Placement (Home and Abroad)

The college works closely with many industries both locally in Ireland and in other parts of the European Union (e.g. Erasmus+ programme) who facilitate our students by giving them access to workplace learning environments. You will then be able to use these experiences to achieve success by building up your network of contacts in the workplace/industry that will open up the opportunity to release your potential and secure the job of your dreams.

Your **work experience placement** gives you an invaluable opportunity to get hands-on experience of working in your chosen area. Many local employers provide work experience opportunities to our students, some partake in work experience throughout the academic year, while others partake in block placement ranging from 2 – 4 weeks. While on placement, all students are fully insured by the college.

The college continuously liaises with industry and potential employers to keep our courses up to date and ensure that our courses are fit for purpose. In addition to work placement, exposure to your area of industry is facilitated by a combination of **site visits, guest speakers** and members of professional bodies who visit the college to share their working world with you and to tell you how their journey began. Remember, they were once where you are now!

DO YOU WANT TO GAIN WORK EXPERIENCE ABROAD?

Students from many courses are offered the opportunity of three weeks fully funded international work experience under the Erasmus+ Mobility Programme in the following countries: Spain, Finland, Slovenia, France, Italy, The Netherlands, Spain and Sweden.

- ▶ 3 weeks work experience in Europe
- ▶ Fully funded by the European Union
- ▶ Europass Certificate
- ▶ Certificate from your international employer

Our career guidance counsellors are also available to discuss and plan your career options whether you opt for the world of work or progression to further study.

EMPLOYER ENGAGEMENT

On **Employer Engagement Day**, a number of recruitment agencies and local employers visit the college and invite you to recruit for jobs that you might be suitable for on completion of your course. Sign up and give yourself every opportunity.

You might like to **start your own business** and we can help you with that too. Throughout the year, we run short programmes entitled 'Start your own Business' which you may like to attend.

Create your life plan and we will help you realise it.
Release your potential!

Information for Full-Time Learners

LOCATION

CDCFE is a constituent college of the CDETB. The college has three campuses located in Coolock, Raheny and Kilbarrack while much of our Outdoor Adventure Management Course also takes place in Malahide.

REPUTATION

CDCFE has a long established and admired reputation as a centre of learning. The college has developed an excellent reputation with employers, certifying bodies, students past and present, parents, the local community and other educational institutions to which our students progress. All our courses adhere to the highest quality assurance procedures and conform to the demands of the various certifying bodies.

FRIENDLY ATMOSPHERE AND PERSONAL APPROACH

The college prides itself on providing a warm and welcoming service to all our learners. Learners find our staff members are approachable and accessible and everybody strives to provide a friendly service. The ethos of the college is to focus on the individual needs of each learner who enters the college.

FACILITIES

The college provides canteens, supervised car parking and sport facilities. The college also has many state-of-the-art specialist facilities to support the programmes on offer.

INFORMATION EVENINGS

Our Information Evenings will give prospective students the opportunity to visit the college and see what life is like in CDCFE and what is involved in each course. Staff and students in your chosen area of interest will be available to speak with you on each evening.

Information Evenings will be held on Thursday, November 22nd and Thursday, January 17th from 4.30 p.m. to 7.30 p.m. Our Information Evening on January 17th will have Interview Preparation Seminars to help prospective students prepare for their forthcoming interview in Coláiste Dhúlaigh College of Further Education.

WEBSITE www.cdcfe.ie

The most up to date information may be found on the college website. You will also find more detailed information on the college and our courses on the website.

APPLICATION

You can apply for all PLC courses online at www.cdcfe.ie. You can also apply for VTOS and BTEI courses online at www.cdcfe.ie or by contacting the college.

PART-TIME PROGRAMMES

While the majority of our courses are full-time programmes, we also offer a range of programme options for adults who want to return to education on a part-time basis, in the day or evening. These programmes are aimed at people who need **Adult Basic Education, Upskilling, Back to Education courses** or specific interest and hobby courses which are offered in the **Adult Part-Time Day and Evening Courses**. Further information on access to these courses is available in the Adults Returning to Education Section.

INTERVIEWS

We aim to interview all applicants, however, this may not always be possible. Please check the relevant pages of the website for interview requirements. **Check the website for interview dates.**

You should view the interview as an opportunity to ask questions about the course and to ensure that you are making the right choice for you.

COURSE AWARDS AND CONTENT

Course awards and content and other course details can change without notice. www.cdcfe.ie will have the most up to date details.

COURSE CHARGES

There are no fees for tuition. However, in line with provision in the third level sector, charges exist to cover the costs of the following items: books, some equipment, uniforms/clothing, student services, student union, examination fees and registration charges by professional bodies. Check website for individual course charges. In addition, students are liable for a €200 participant contribution. Some categories of student are exempt from paying the contribution - see website for details.

INTERNATIONAL APPLICANTS

The college welcomes applications from qualified international applicants. International (non-EU) learners must comply with Irish immigration requirements and must present either a student visa or a letter of permission to remain in Ireland, issued by the Immigration Section of the Department of Justice. Non-EU learners in certain circumstances may be required to pay a course fee for their course. For further details, please contact the college.

Learners are advised that to benefit from their chosen course they should be proficient in written and spoken English. Learners may be required to do an English Language proficiency assessment as part of the interview process.

GRANTS

Students undertaking any full-time Further Education course may apply for a means tested maintenance grant. Application forms are available from SUSI www.susi.ie. Students from designated disadvantaged partnership areas may be eligible for financial assistance towards course charges.

MATURE STUDENTS

The number of mature students attending CDCFE is increasing each year and at present constitutes a significant proportion of our total numbers. Mature students are very welcome and our Learner Support Service will pay particular attention to their learning needs.

VTOS stands for 'Vocational Training Opportunities Scheme'. The scheme gives unemployed adults the opportunity of returning to full-time education while remaining in benefit.

CAREER GUIDANCE COUNSELLING

The Guidance and Counselling Team aims to provide a confidential and non-judgemental service where students have the space to express and clarify their own particular concerns in relation to career, educational and personal issues

EDUCATIONAL SUPPORTS

The college is committed to providing an equal opportunities learning environment to all its learners. Learners who are entitled to special accommodation in examinations or who have specific learning needs should contact the Disability Support Officer, Angela Flynn at (086) 0229342 / 01 8851381 or email angela.flynn@nln.ie

STUDENT ACTIVITIES - SPORTS AND CULTURAL

The Student Union is there to represent and help all Further Education students. The governing body of the union is the Students' Council. This is made up of elected representatives from each class group.

LEARNER SUPPORT SERVICE

The focus of this service is to improve student performance through the development of study skills. The Study Support Service offers individual support with course work, assignment writing and study techniques. Tutors are available for one-to-one tuition, workshops and small group tutorials that support assignment writing.

LIBRARY

CDCFE has designated library resources in all campuses. The students on the Coolock campus use the Dublin City Library, which is located next door to the college and has WiFi access.

Sound will focus on the growing area of **Sound Design** and develop your scriptwriting abilities with Radio Drama. **TV** expands into more complex programme making, planning, shooting and editing from day one. The introduction of **Creative Industry, TV and Film Production Practice** will ensure your process is in line with industry. You will have a chance to work on an Individual Project to test your growing skillset and you will expand your knowledge of how films are made in **Film Studies**.

Year 3 - Your final year of the core programme expands your abilities even more. In both Sound and Television you will work on Broadcast Standard Documentaries and real world projects with actual clients. You will have the opportunity to develop your own solo and collaborative work. Your academic ability will be bolstered in Professional Development. In third year, your work experience can lead to a job directly after graduating and it also prepares you for the Top-up degree.

QQI Award (Level 5 – 5M2061)

This course has been designed to meet the needs of a variety of students wishing to study Engineering, specifically those who did not satisfy the entry requirements for direct entry to a degree course, and adult returnees to education. Students who pass all modules including course practical work (the pass mark in each subject is 50%) will be eligible to enter the following Level 7 Engineering degree courses in Dublin Institute of Technology (DIT):

- ▶ DT002 - Engineering Systems Maintenance
- ▶ DT003 - Automation Engineering
- ▶ DT004 - Civil Engineering
- ▶ DT005 - Building Services Engineering
- ▶ DT006 - Mechanical Engineering
- ▶ DT008 - Electronics and Communications Engineering
- ▶ DT009 - Electrical and Control Systems
- ▶ DT010 - Electrical Services Engineering
- ▶ DT011 - Aviation Technology

The Level 7 General Entry course (DT097) is accessible to students who pass the Maths for STEM module with four Merit grades in other modules.

In addition, students can gain entry to the following Level 8 Engineering degree courses in DIT with a Merit grade in the Maths for STEM module and four Distinction grades in other modules:

- ▶ DT066 - Engineering (General Entry - can lead to year 2 of DT022, DT023, - DT024, DT026, DT027 and others)
- ▶ DT021 - Electronic Engineering
- ▶ DT028 - Transport Technology
- ▶ DT081 - Computer Engineering

COURSE CONTENT

Maths for STEM, Physics, Mechanics, Materials Science, Engineering Workshop Processes, Computer Aided Draughting (2D), Work Experience, Communications.

CERTIFICATION

QQI Level 5

DURATION

1 Year

ENTRY REQUIREMENTS

Five passes in Leaving Certificate (one of which should be a minimum of C3/O4 in Ordinary Level Mathematics).

Leaving Certificate Applied is not suitable for this course.

Mature students (over 21) who do not meet the minimum academic requirements but who can demonstrate the ability to successfully participate on the course will be considered.

COLLEGE LINKS & CAREER OPPORTUNITIES

Students who meet the entry criteria explained will gain entry to the named courses by way of a Round Zero offer from the CAO.

Students may also apply to Engineering courses in various other third level institutions through the Higher Education Links Scheme.

This course has been specifically designed to meet the needs of students who wish to study science to degree level in University. The course will cater for two different groups of learners: students who did not obtain the required Leaving Certificate points for their chosen Science course and students who wish to acquire a foundation in Science subject areas and Mathematics before entry to University.

Students who obtain an overall Merit (65%) grade will gain a place on the majority of courses outlined below. The course prepares students for entry to the first year of the following degree courses offered by the faculty of Health and Science in DCU.

DCU - Dublin City University

- ▶ BSc. in Analytical Science (DC161)
- ▶ BSc. in Chemical and Pharmaceutical Sciences (DC162)
- ▶ BSc. in Environmental Science and Health (DC166)
- ▶ BSc. in Applied Physics (DC171)
- ▶ BSc. in Bio-Technology (DC181)
- ▶ BSc. in Common Entry into Science (DC201)
- ▶ BSc. in Sports Science and Health (DC202)
(Only 2 places available)
- ▶ BSc. in Science Education (DC203)
- ▶ BSc. in Physics and Astronomy (DC167)
- ▶ BSc. in Physics with Biomedical Sciences (DC173)
- ▶ BSc. in Genetics and Cell Biology (DC168)
(Only 2 places available)

COURSE CONTENT

Laboratory Techniques, Physics, Chemistry, Biology, Mathematics, Microsoft Office Specialist, Communications.

CERTIFICATION

Examinations and assessments are conducted with external monitoring by DCU.

DURATION

One Year.

ENTRY REQUIREMENTS

Leaving Certificate with a minimum of a Grade O4 or H7 (C3) in Mathematics and interview. It is essential that all students who apply to this course meet the maths requirement. Mature applicants (21+) who may not have all the formal academic requirements but who have the ability to successfully participate on the course may be considered but all mature applicants must have passed Leaving Certificate Mathematics.

COLLEGE LINKS AND CAREER OPPORTUNITIES
