Prospectus 2019/20
www.cdcfe.ie
Hello and welcome to Coláiste Dhúlaigh College of Further Education (CDCFE).

I am delighted that you have picked up our new prospectus. We have exciting and interesting courses that you may like to join. We offer Certificate, Diploma, Degree and Professional Courses from Levels 4 to 8 on both a full-time and part-time basis.

It is our vision to be the premier provider of Further Education in Europe. Our programmes are delivered by a team of tutors dedicated to the highest standards of teaching and learning in a caring, supportive and friendly atmosphere. We want you to succeed and our courses are designed to help our learners achieve their full potential.

CDCFE welcomes adult learners of all ages, abilities and nationalities. We are proud of our learner-centred approach, one that places the needs of each learner first and foremost. Our aim is to prepare our learners for further study or for entering the workforce and to participate fully in the community in which they live and work.

Choosing the right course in the right place is an important decision. Our website (www.cdcfe.ie) has lots of additional information that you will find useful so please have a look at that as well. If you have any questions or need more information, our tutors will be more than happy to assist you. Please contact us at coolock@cdcfe.cdetb.ie or 01 8481400.

Learning is for everyone. Whatever your starting point, you will find a warm welcome in the college. Why not come to one of our Information Evenings and experience it for yourself?

I wish you well in whatever course you choose.

Mary Hickie
Principal

CDCFE is a constituent College of City of Dublin Education and Training Board.
Chief Executive - Ms Carol Hanney.

Alphabetical Listing of Courses 88
Work Placement (Home and Abroad)

The college works closely with many industries both locally in Ireland and in other parts of the European Union (e.g. Erasmus+ programme) who facilitate our students by giving them access to workplace learning environments. You will then be able to use these experiences to achieve success by building up your network of contacts in the workplace/industry that will open up the opportunity to release your potential and secure the job of your dreams.

Your work experience placement gives you an invaluable opportunity to get hands-on experience of working in your chosen area. Many local employers provide work experience opportunities to our students, some partake in work experience throughout the academic year, while others partake in block placement ranging from 2 – 4 weeks. While on placement, all students are fully insured by the college.

The college continuously liaises with industry and potential employers to keep our courses up to date and ensure that our courses are fit for purpose. In addition to work placement, exposure to your area of industry is facilitated by a combination of site visits, guest speakers and members of professional bodies who visit the college to share their working world with you and to tell you how their journey began. Remember, they were once where you are now!

DO YOU WANT TO GAIN WORK EXPERIENCE ABROAD?

Students from many courses are offered the opportunity of three weeks fully funded international work experience under the Erasmus+ Mobility Programme in the following countries: Finland, Slovenia, France, Italy, The Netherlands, Portugal, Spain and Sweden.

- 3 weeks work experience in Europe
- Fully funded by the European Union
- Certificate of attendance from your international employer

Our career guidance counsellors are also available to discuss and plan your career options whether you opt for the world of work or progression to further study.

EMPLOYER ENGAGEMENT

On Employer Engagement Day, a number of recruitment agencies and local employers visit the college and invite you to recruit for jobs that you might be suitable for on completion of your course. Sign up and give yourself every opportunity.

You might like to start your own business and we can help you with that too. Throughout the year, we run short programmes entitled ‘Start your own Business’ which you may like to attend.

Create your life plan and we will help you realise it. Release your potential!
Greendale Enterprise Hub

HAVE YOU A SKILL THAT YOU WANT TO USE TO START YOUR OWN BUSINESS?

Are you a crafts person or craft maker?

Do you want to set up a creative business in the areas of Media, Animation, Graphic Design or the Dramatic Arts?

Do you want to use your creative talents, whatever they may be, to develop your own business or enterprise with like-minded entrepreneurs?

If your answers are yes, the Greendale Enterprise Hub would welcome you.

In the Greendale Hub you will be given the opportunity to set up and work collaboratively to develop your own business plan. You will be given the opportunity to develop your marketing and social media platforms as well as gaining access to diverse professional input from our tutors and guest workshops.

Participants will have three mornings of class-based time and will be expected to work on their own business development for the remainder of the programme duration. All participants will be expected to be ready to trade as part of participation on the programme.

The classes will focus on: the development and execution of a business plan, Marketing and Social Media, and Product Development.

A major part of the programme will include input from guest workshops and the provision of networking opportunities within the industries represented. The participants will have access to a designated work-space, general office facilities and some designated equipment to assist with product development.

Applications are welcome from newly formed start-up companies involving two or more participants.

Contact the college for further information.
Information for Full-Time Learners

LOCATION
CDCFE is a constituent college of the CDETB. The college has three campuses located in Coolock, Raheny and Kilbarrack while much of our Outdoor Adventure Management Course also takes place in Malahide.

REPUTATION
CDCFE has a long established and admired reputation as a centre of learning. The college has developed an excellent reputation with employers, certifying bodies, students past and present, parents, the local community and other educational institutions to which our students progress. All our courses adhere to the highest quality assurance procedures and conform to the demands of the various certifying bodies.

FRIENDLY ATMOSPHERE AND PERSONAL APPROACH
The college prides itself on providing a warm and welcoming service to all our learners. Learners find our staff members are approachable and accessible and everybody strives to provide a friendly service. The ethos of the college is to focus on the individual needs of each learner who enters the college.

FACILITIES
The college provides canteens, supervised car parking and sport facilities. The college also has many state-of-the-art specialist facilities to support the programmes on offer.

INFORMATION EVENINGS
Our Information Evenings will give prospective students the opportunity to visit the college and see what life is like in CDCFE and what is involved in each course. Staff and students in your chosen area of interest will be available to speak with you on each evening.

Information Evenings will be held on Thursday, November 14th and Thursday, January 16th from 4.30 p.m. to 7.00 p.m. Our Information Evening on January 16th will feature Interview Preparation Seminars to help prospective students prepare for their forthcoming interview in Coláiste Dhúlaigh College of Further Education.

WEBSITE WWW.CDCFE.IE
The most up to date information may be found on the college website. You will also find more detailed information on the college and our courses on the website.

APPLICATION
You can apply for all PLC courses online at www.cdcfe.ie. You can also apply for VTOS and BTEI courses online at www.cdcfe.ie or by contacting the college.

PART-TIME PROGRAMMES
While the majority of our courses are full-time programmes, we also offer a range of programme options for adults who want to return to education on a part-time basis, in the day or evening. These programmes are aimed at people who need Adult Basic Education, Upskilling, Back to Education courses or specific interest and hobby courses which are offered in the Adult Part-Time Day and Evening Courses. Further information on access to these courses is available in the Adults Returning to Education Section.

INTERVIEWS
We aim to interview all applicants, however, this may not always be possible. Please check the relevant pages of the website for interview requirements. Check the website for interview dates.

You should view the interview as an opportunity to ask questions about the course and to ensure that you are making the right choice for you.

COURSE AWARDS AND CONTENT
Course awards and content and other course details can change without notice. www.cdcfe.ie will have the most up to date details.

COURSE CHARGES
There are no fees for tuition. However, in line with provision in the third level sector, charges exist to cover the costs of the following items: books, some equipment, uniforms/clothing, student services, student union, examination fees and registration charges by professional bodies. Check website for individual course charges.
In addition, students are liable for a €200 participant contribution. Some categories of students are exempt from paying the contribution - see website for details.

**INTERNATIONAL APPLICANTS**

The college welcomes applications from qualified international applicants. International (non-EU) learners must comply with Irish immigration requirements and must present either a student visa or a letter of permission to remain in Ireland, issued by the Immigration Section of the Department of Justice. Non-EU learners in certain circumstances may be required to pay a course fee for their course. For further details, please contact the college.

Learners are advised that to benefit from their chosen course they should be proficient in written and spoken English. Learners may be required to do an English Language proficiency assessment as part of the interview process.

**GRANTS**

Students undertaking any full-time Further Education course may apply for a means tested maintenance grant. Application forms are available from SUSI www.susi.ie. Students from designated disadvantaged partnership areas may be eligible for financial assistance towards course charges.

**MATURE STUDENTS**

The number of mature students attending CDCFE is increasing each year and at present constitutes a significant proportion of our total numbers. Mature students are very welcome and our Learner Support Service will pay particular attention to their learning needs. VTOS stands for ‘Vocational Training Opportunities Scheme’. The scheme gives unemployed adults the opportunity of returning to full-time education while remaining in benefit.

**CAREER GUIDANCE COUNSELLING**

The Guidance and Counselling Team aims to provide a confidential and non-judgemental service where students have the space to express and clarify their own particular concerns in relation to career, educational and personal issues.

**EDUCATIONAL SUPPORTS**

The college is committed to providing an equal opportunities learning environment to all its learners. Learners who are entitled to special accommodation in examinations or who have specific learning needs should contact the Disability Support Officer, Angela Flynn at (086) 0229342 / 01 8851381 or email angela.flynn@nl.ie

**STUDENT SERVICES - SPORTS AND CULTURAL**

Student Services are following you on your journey in Coláiste Dhúlaigh College of Further Education, from the day you start to graduation. Our role is to focus on extra-curricular and non-curricular activities, to support clubs and societies, to secure student deals (with local amenities and businesses) and provide an information hub should you have any queries.

**LEARNER SUPPORT SERVICE**

The focus of this service is to improve student performance through the development of study skills. The Study Support Service offers individual support with course work, assignment writing and study techniques. Tutors are available for one-to-one tuition, workshops and small group tutorials that support assignment writing.
This two-year course introduces students to all the main components of the Tourism Industry to include competencies in dealing with and managing people as well as the development of practical skills. Students will be equipped with the necessary and varied skills for employment in this increasingly important and expanding industry. There is also the opportunity for further study with TU Dublin for students who are successful in the second year of this course.

In addition to providing a good grounding in the Tourism Industry, students will have the opportunity to obtain the Amadeus Global Distribution Systems (GDS) examination, which is one of the most recognised GDSs used worldwide.

**COURSE CONTENT**

**YEAR 1**

Students who achieve a full award in first year are eligible for entry to second year.

**YEAR 2**

**CERTIFICATION**
QQI Level 5 at the end of Year One and Level 6 at the end of Year Two.

**ENTRY REQUIREMENTS**
Leaving Certificate and interview. Leaving Certificate Applied candidates should have a Distinction profile. Candidates with a relevant full QQI Level 5 certificate may apply for direct entry into second year.

**CAREER OPPORTUNITIES**
This course will qualify you to work in many aspects of the Tourism Industry including front of house operations in the hotel or heritage business. Students may also take up the option of furthering their careers through additional study with TU Dublin.

**COLLEGE LINKS**
Successful completion of the second year programme offers the opportunity of advanced entry into TU Dublin degree programmes.
This is a two-year course designed to encompass a broad range of business related subjects that create an understanding of the scope of skills and activities needed to compete successfully in the business world. This course covers all major business areas and topics and provides a comprehensive knowledge of each of the major functions of business. The structure ensures that students have the widest possible range of career, employment and higher education options open to them on completion of their studies.

**COURSE CONTENT**

**YEAR 1**
Business Law, Business Administration, Marketing, Digital Marketing, Bookkeeping, Spreadsheet Methods, Work Experience and Communications.

Students who achieve a full award in first year are eligible for entry to second year.

**YEAR 2**

**CERTIFICATION**
Year 1: Certificate in Business, Level 5 (5M2102). Students who successfully complete all modules in Year 1 may progress to Year 2.

**DURATION**
Two years.

**ENTRY REQUIREMENTS**
The Leaving Certificate (Five passes, including minimum O6/H7 in English and O6/H7 Mathematics) plus interview. For students aged 23 and over, Leaving Certificate requirements may not apply in the light of relevant business related experience.

**CAREER OPPORTUNITIES**

**COLLEGE LINKS**
An advanced entry link has been formed between CDCFE Business Department and DCU. Students who complete this course and meet the specific entry requirements are eligible to apply for advanced entry into the second year of the Business Degree course in DCU.

An advanced entry link has also been formed between CDCFE Business and Tourism Department with NCI. Students with a full QQI Level 6 award are eligible for entry into second year of the following NCI Degree courses: BA (Hons) in Business; BA (Hons) in Human Resource Management; and BA (Hons) in Marketing Practice.

Students may also apply for entry into business related courses in a variety of colleges including TU Dublin and other Institutes of Technology throughout the country - please refer to our Progression Routes Section.
This special purpose award is the new professional qualification for tour guides that replaces the former system of badge certification by Fáilte Ireland.

On completion of the course, students will be equipped with the necessary organisational and communication skills to participate effectively in the ever-expanding Tourism Industry. This is a national award and successful candidates will gain certification that will enable them to work in all regions of Ireland.

In addition to the mandatory modules, students will be given the opportunity to become certified First Aid responders. We also provide instruction in essential aspects of strategic and ‘hands-on’ digital marketing. This develops key competencies for those students who would like to establish their own tourist related business and for those who are interested in the promotional aspects of the Tourism Industry. All students will be Garda Vetted as a standard part of the course.

The course is delivered through an integrated mix of on-campus lectures, off-site visits to key tourist attractions and self-directed learning over three days each week.

**COURSE CONTENT**

Irish Tour Guiding, National Tour Management, Irish Natural Culture and Heritage, Digital Marketing.

**CERTIFICATION**

QQI Level 6.

**ENTRY REQUIREMENTS**

Successful completion of QQI Level 5 (or above) in a related field of study. Mature students with experience in the Tourism Industry and also those who are considering a change of career may also be eligible. A deep interest in the heritage and culture of Ireland and excellent interpersonal skills are also strongly advised.

**CAREER OPPORTUNITIES**

This course will qualify successful participants to work as a self-employed tour guide or to seek employment in the Tourism/Heritage Industry throughout Ireland. It also delivers key skills to those who wish to participate in business and promotional aspects of the industry.
This traineeship is run in partnership with Speedpak, is 30 weeks duration and offers real commercial work placement with leading local industries. The course offers a QQI Level 5 part award and provides training in Forklift Truck Skills, Manual Handling, Lean Manufacturing and First Aid Responder.

**COURSE STRUCTURE**
This course starts in June/July and finishes at the end of January 2020.
- 6 weeks induction (classroom based)
- 3 weeks external training
- 5 weeks work placement
- 4 weeks classroom based learning
- 8 weeks industry placement (starts mid-October)
- 4 weeks classroom preparation for QQI submission

**COURSE CONTENT**
Warehousing, Customer Service, Safety and Health in the Workplace, Personal Effectiveness, Database Methods, Work Practice, and Functional Maths.

Training Certifications in Counterbalance Forklift Truck Skills, Manual Handling, Lean Manufacturing, and First Aid Responder.

**ALLOWANCE**
10 euro per day to cover travel expenses while on work placement.

**HOW TO APPLY**
Apply online www.cdcfe.com
or email traineeship@cdcfe.com
or call 01 8481400.
This course is designed to prepare students for entry to Third Level Art Colleges both in Ireland and abroad. Emphasis is placed on research and development methods in both practical and academic subjects relevant to Art and Design practice.

This approach facilitates the development of a balanced portfolio that demonstrates the student’s individual ideas and creativity. While preparing their individual portfolio, students on the course cover the QQI Level 5 Art Award which is recognised for entry to Third Level Art Colleges such as NCAD, TU Dublin and ITs nationwide. This award can be used instead of the minimum Leaving Certificate requirements for third level college entry.

**COURSE CONTENT**

**CERTIFICATION**
QQI Level 5.

**DURATION**
One year.

**ENTRY REQUIREMENTS**
Interview with portfolio.

Your portfolio should contain four pieces of your own observational work done within the last year dealing with subject matter from your own environment. Other media and photographs of 3D may be included if you wish. Work may be of any size or dimension.

Minimum academic requirements for course:

Leaving Certificate or LCVP (to include O6/H7 English) or Merit Award LCA or Merit Award QQI Level 4.

The course welcomes mature students whose eligibility is assessed on an individual basis.

**CAREER OPPORTUNITIES / COLLEGE LINKS**
The majority of our students take up places in third level colleges such as NCAD, IADT, TU Dublin, Institutes of Technology and Art colleges abroad. Students can also progress to Higher National Diploma and Degree programmes in Graphic Design and Animation respectively in CDCFE.
Architecture is a rewarding field of work and study that calls for both creative and technical skill in the design of buildings and environments. An Architect's work primarily focuses on creative, conceptual and detailed design of buildings. An Architectural Technologist works more on the technical design for construction. This course is designed to provide learners with the opportunity to develop skills and to prepare a portfolio in Architecture or Architectural Technology to further their studies at degree level.

The Architectural pathway emphasises conceptual and spatial design, theory of architecture and model making. The Architectural Technology pathway develops abilities in building construction and technical design. While preparing their individual portfolio, students on the course cover the QQI Level 5 Design Award which is recognised for entry to Third Level Art Colleges such as TU Dublin and ITs nationwide in lieu of minimum Leaving Certificate requirements for third level college entry.

COURSE CONTENT

CERTIFICATION
QQI Level 5.

DURATION
One year.

ENTRY REQUIREMENTS
Leaving Certificate/LCVP / LCA / QQI L4 applicants. Entry is by interview with portfolio showing samples of work e.g. drawings, photographs, design work.

CAREER OPPORTUNITIES
Architect or Architectural Technologist in Architectural/ Engineering practices or in local authorities, Architectural Technology practices and Facilities Management, Interior Architecture, Product and Furniture design.

PROGRESSION
QQI LEVEL 6 AND HIGHER NATIONAL DIPLOMA
Successful graduates may gain entry to QQI Level 6 and HND courses in CDCFE.

DEGREE LEVEL
Architecture:
Graduates of this course will be considered for progression onto the Level 8 Honours Degree in Architecture in TU Dublin, UCD* and the University of Limerick*, WIT, University of Ulster, Queen’s University and other programmes that take into account portfolio work in their application processes in Ireland and the UK.

Architectural Technology:
Graduates of this course will be considered for progression onto the Level 8 Honours Degree in Architectural Technology in DIT based on interview and portfolio of work. They may also apply to Architectural Technology degree programmes such as IT Carlow, Waterford Institute of Technology and other Irish and UK educational institutions.

* Require Leaving Certificate points for entry.
This course prepares the student for the vibrant, creative and challenging world of fashion. The course promotes awareness of current industry trends, along with an understanding of the importance of good presentation skills. You will learn research skills, how to produce initial design ideas and how to develop designs through to a finished garment. The studios are equipped with high spec manufacturing equipment, computers and all software needed to generate design work. Tutors and contemporary designers from the fashion world are at hand throughout the course to support and develop your skills.

**COURSE CONTENT**

**CAREER OPPORTUNITIES**

**CERTIFICATION**
QQI Level 5 and Level 6.

**DURATION**
Two years.

**ENTRY REQUIREMENTS**
Level 5
In general, the Leaving Certificate (including LCA) is required. Exceptions can be made for mature students. Students applying for the course will be asked to attend an interview, to which they will bring samples of creative work (drawings, photographs and designs).

Level 6
Leaving Certificate (including LCA), QQI Level 5 and interview with fashion/art and design portfolio. Mature and postgraduate students are welcome to apply. Students on applying for the course will be asked to attend an interview, to which they will bring samples of creative work (drawings, photographs and designs).

**PROGRESSION**
Students can progress from this course into third level colleges in Ireland, the UK and abroad including: NCAD, TU Dublin (Visual Merchandising), Institute of Art Design and Technology Dun Laoghaire (Costume Design), Limerick Institute of Further Education, The National Tailoring Academy at Louis Copeland, Griffith College Dublin, The University of Ulster (BA Hons Textile Art, Design and Fashion), Istituto Marangoni School of Fashion and Design, London, AMFI Amsterdam Institute of Fashion.
Our foundation course in Graphic Design (Visual Communications) has been developed to help you build a solid graphic design/illustration portfolio that will enable you to progress to further study either at Higher National Diploma (HND) or Degree level (BA Hons).

You will develop traditional visual communication skills with the latest graphic design software such as Adobe Photoshop, Illustrator and InDesign. You will be working with a team of experienced Art and Design tutors who will help you to develop your creative problem solving skills. The areas that you will cover are Drawing, Printmaking, Digital Photography, Illustration, Graphic Design, Typography and Design Principles. Students have a busy schedule all year with regular trips to galleries and museums. Visiting lecturers in areas such as bookmaking, typography and drawing also run practical workshops. These extra classes are given at no extra cost and are hosted by experienced visiting professionals.

COURSE CONTENT

WORK EXPERIENCE ABROAD
Some students will have an opportunity to do their work experience abroad. In the past, students have gone to Budapest and Malta as part of the Erasmus project.

ENTRY REQUIREMENTS
Leaving Certificate and interview (with portfolio of art and design work). Mature and postgraduate students are also welcome to apply. Prior experience in related areas will be considered.

DURATION
One year.

ENTRY REQUIREMENTS
Leaving Certificate (or Leaving Cert Applied) and interview with portfolio.

PROGRESSION
QQI Level 5 Design students can progress directly to our two-year BTEC Higher National Diploma in Graphic Design (Visual Communications) Level 6.

OR
You can apply directly to any of the major Art and Design Colleges throughout the country for entry onto Visual Communications Degree Level courses.

CERTIFICATION
QQI Level 5 Certificate in Graphic Design 5M1995.
On successful completion of this BTEC HND course students can avail of the opportunity to secure employment within the Design Industry. Many of our Graphic Design graduates are now employed within areas such as branding, advertising, publishing, marketing design, animation, user interface design, web design, illustration, packaging design and for design agencies. Others have successfully opened their own Graphic Design businesses.

**COURSE CONTENT**

**YEAR 1**

**YEAR 2**

**ENTRY REQUIREMENTS TO 1ST YEAR BTEC HIGHER NATIONAL DIPLOMA**
- QQI Level 5 attained in one of the following areas: Graphic Design, Illustration, Art and Design Portfolio, Design, Architecture, Interior Design, Photography, Media, Animation, Digital Media (Merit standard required and interview with a portfolio of recent work).
- Mature students with prior experience in related areas will be considered.
- Postgraduate students who wish to develop a portfolio to pursue a design career will also be considered.

**CERTIFICATION**
BTEC HND Level 6.

**DURATION**
Two years.

**CAREER OPPORTUNITIES**

**PROGRESSION TO DEGREE LEVEL**
Students can apply for advanced entry with their portfolio for Visual Communications degree courses in all the major colleges throughout Ireland, entering at Year Two or Three in the following colleges: NCAD, TU Dublin, Institute of Art, Design and Technology, Dun Laoghaire, Athlone Institute of Technology, Waterford Institute of Technology, Cork Institute of Technology, University of Ulster and final year entry to BA (Hons) Graphic Communication or BA (Hons) Design Studies, University of Wolverhampton, UK, School of Art and Design.
This programme is tailored to meet the industry’s needs. We introduce students to the world of design including Commercial and Domestic Interior Design, Furniture, Lighting, Set Design and Exhibition Design. Students gain valuable experience working on live projects, competitions and industry workshops.

Throughout the course, students will create a professional standard portfolio that can lead to employment or advanced entry into the third year of a third level degree programme (pending portfolio and interview). Trips to European cities like Berlin, Barcelona and Paris are an integral part of the course.

**COURSE CONTENT**

This course offers a wide range of modules that cover all areas of 3D and spatial design. We also develop your drawing and 3D visualisation skills enabling you to produce professional presentations of your design projects. We focus on personal and professional development. We will deliver assignment briefs that give you an insight into the Design Industry and the challenges involved in Design Development. Students will also get the opportunity to showcase their work at an end of year exhibition which is held at a high profile venue in Dublin.

**YEAR 1**
- Technical Drawing skills, Interior design, 2D and 3D CAD/ Sketch Up, Presentation skills, Professional Practice, Drawing and Design Skills, Surfaces and Materials Design, Contextual Studies in Design.

**YEAR 2**

**Work Experience Abroad**
Some students will have an opportunity to do work experience abroad. In the past students have gone to Budapest and Malta as part of the Erasmus project.

**SOFTWARE**
Current industry standard software is provided throughout the college including AutoCAD 2D, Google Sketchup and VRay, Adobe Illustrator, Adobe Photoshop.

**CERTIFICATION DURATION**
Two years (with option for advanced entry to BA (Hons) Degree courses).

**ENTRY REQUIREMENTS**
Leaving Certificate, Leaving Certificate Applied or QQI Level 5 or similar and interview. Mature and postgraduate students are also welcome to apply. Prior experience in related areas will be considered. Some examples of creative work would be useful but not a requirement.

**CAREER OPPORTUNITIES**

**PROGRESSION TO DEGREE LEVEL**
Advanced entry 2nd and 3rd year BA (Hons) Interior and Furniture design courses are available in TU Dublin, Griffith College, University of Ulster and University of Wolverhampton and many other UK universities.

*All advanced entry depends on final grades and standard of portfolio.
This course will focus on 3D Product Design and Visualisation. Students will work with three dimensional materials, developing their design skills, detailing and prototyping methods. They will learn valuable technical and 3D visualisation skills and produce digital representations and 3D printed prototypes for manufacturing, patenting and marketing purposes.

3D product, printing and scanning have become increasingly popular and this course will prepare students for employment in this growing field.

Ideally students will have completed a QQI Level 5 Award in Craft, Furniture, Interiors, Graphics, Construction/Engineering or similar and would like to hone their design and technical skills.

**COURSE CONTENT**

**DURATION**

1 year.

**CERTIFICATION**

QQI Level 6.

**ENTRY REQUIREMENTS**

QQI Level 5 in a related area. Mature students are actively encouraged to apply.

**PROGRESSION**

IADT – BA Hons. 3D Design, Model making.
TU Dublin Blanchardstown – B Sc. in Product Innovation and Design.

**CAREER OPPORTUNITIES**

3D Printing, Model making, Product Design.
This course is designed for anyone with an interest in Creative Writing and Storytelling. Students will explore various aspects of writing and will be facilitated in developing both written and digital content for online platforms.

The course will focus on developing writing skills for fictional work as well as creation of promotional digital content for multi-platform delivery. Classes will be delivered in a relaxed environment and learners will be given the opportunity to build on existing and/or new story ideas.

The one year QQI Level 5 course will encourage students to share and critique ideas in a supportive setting. The skills to create media content to complement written material will be taught, giving students the necessary tools to make self-promotional material for digital storytelling.

**COURSE CONTENT**
Media Analysis, Creative Writing, Writing Skills for Journalism, Script Writing, Communications, Work Practice, Image Processing, The Internet.

**DURATION**
One year.

**ENTRY REQUIREMENTS**
Leaving Certificate or equivalent is an advantage but not essential. Mature students are welcome to apply.

**PROGRESSION ROUTES**
Graduates can progress to Higher National Diploma in Creative Media Production (Journalism or Film discipline) followed by a Top-up BA (Hons) in Film Production or Broadcast Journalism accredited by University of Wolverhampton and delivered in Coláiste Dhúlaigh College of Further Education.
If you are someone who makes videos, records music, takes photographs, podcasts or has a genuine interest in the Media you consume, this is the course for you. Our alumni are Directors, Producers, Sound Designers, Camera people, Musicians, Editors, Comedians, Advertising Executives, Lighting Experts and more besides. We keep in touch with Industry and adjust the course each year to ensure that our graduates are as prepared for the Media Landscape as they can be.

We have a state of the art HD Television Studio. A professional recording studio for the creation of Music, Sound Design and Radio using ProTools. We put equipment in your hands early and often, encouraging you to learn by doing.

**COURSE CONTENT**

The course works hard to refine your interests while helping you understand every aspect of Media Production.

**YEAR 1**

Here, we introduce you to all the major disciplines. In TV you will work on Studio Programmes as well as producing and editing a wide range of material shot on location. Sound is served by Radio Production and Music Technology. Photography develops your eye and image manipulation abilities. Media Analysis helps you analyse television, film and radio so as to give you a better understanding of how it’s made. Intercultural Studies and Communications prepare you for the Ireland we live in today and Work Experience gives you an opportunity to gain your first foothold in a real Media job.

**YEAR 2**

In your second year, the pace picks up. Sound will focus on the growing area of Sound Design and develop your scriptwriting abilities with Radio Drama. TV expands into more complex programme making, planning, shooting and editing from day one. The introduction of Creative Industry, TV and Film Production Practice will ensure your process is in line with industry. You will have a chance to work on an Individual Project to test your growing skillset and you will expand your knowledge of how films are made in Film Studies.

**YEAR 3**

Your final year of the core programme expands your abilities even more. In both Sound and Television you will work on Broadcast Standard Documentaries and real world projects with actual clients. You will have the opportunity to develop your own solo and collaborative work. Your academic ability will be bolstered in Professional Development. In third year, your work experience can lead to a job directly after graduating and it also prepares you for the Top-up degree.

**Top-up Degree**

If you want to continue to develop your career with us, we offer a one-year Top-up degree in conjunction with the University of Wolverhampton (BA Hons Video and Film Production) which is delivered in our college. Students who achieve a Merit profile in their HND are eligible.

**CERTIFICATION**

QQI Level 5, Higher National Diploma, BA (Hons).

**DURATION**

3 Years (Plus optional one-year Top-up Degree).

**ENTRY REQUIREMENTS**

Leaving Certificate (including LCA) and interview. We encourage students to bring a sample of work to the interview. This could be anything you have written (e.g. script, story, poem, school essay), photographs you have taken (either on phone or camera), or any other media work you would like to show. You should also be prepared to discuss your favourite TV shows/music/ films etc. Genuine Media interest must be in evidence at the interview. Mature Students are welcome to apply.

**CAREER OPPORTUNITIES**

Film Production offers a thorough study of film through both practical and academic avenues. Students will study key practical areas such as Scriptwriting, Directing, Producing, Sound, Lighting and Editing all of which will culminate in the creation of their own films. These areas are complemented by the study of Film History, Film Theory and Film Industries.

Damien O’Donnell, BAFTA award-winning director of East is East is a graduate of CDCFE. Damien has also directed films such as Heartlands and Inside I’m Dancing and is a prolific TV and Cinema commercial director. As patron of the Film Production course, Damien will visit the college once a year to give a keynote lecture to Film Production students.

**COURSE CONTENT**

**YEAR 1**
Scriptwriting, Cinematography, Sound Recording, Editing, Post Production Sound, Individual Film Project, Creative Film and Media Industries, Professional Practice for the Film Industry, Film Studies.

**YEAR 2**
Advanced Techniques in Camera, Lighting, Sound Recording, Editing and Post Production Sound, Collaborative Film Project, Documentary, Personal Professional Development, Advanced Film/TU Studies.

**CERTIFICATION**
Higher National Diploma, leading to BA (Honours) awarded by University of Wolverhampton.

Students who complete this course with a Merit profile are eligible to apply for the BA Hons in Video and Film Production in Coláiste Dhúlaigh College of Further Education. Progression to other UK universities is also possible.

**DURATION**
Two years.

**ENTRY REQUIREMENTS**
Leaving Certificate and interview (with portfolio). Please see our guidelines on our website regarding preparation for your interview and creating a portfolio.

**CAREER OPPORTUNITIES**
Scriptwriting, Directing, Producing, Editing, Cinematography, Sound, Research, Education, Marketing.

**COLLEGE LINKS**
Enter into final year of third year degree programmes in a number of UK universities is possible. However, as stated above, completion of this course enables you to apply to complete the BA Hons in Video and Film Production in Coláiste Dhúlaigh College of Further Education.
The BTEC Higher National Diploma (HND) in Journalism is designed for students who wish to gain employment in Print, Online and Broadcast Journalism as well as other areas of the media. The course focuses on developing writing, researching, and broadcasting skills for Print, Online, Radio and Screen. Course content will encourage students to consume as well as create media. Students will explore media theories and learn a range of practical skills such as interview techniques, effective blog writing, and podcast production. Students will also build a portfolio which will enable them to progress to further study or employment.

DURATION
The Journalism HND is a two-year continuous assessment programme.

COURSE CONTENT
YEAR 1
Individual Project, Creative Industry, Professional Practice, Journalism Practice, Journalism and Society, Digital Page Production, Radio Production, Investigative Journalism.

YEAR 2
Collaborative Project, Personal Professional Development, Advanced Journalism Studies, Podcast Production, Magazine and Feature Production, Specialist Journalism, Social Media Practice.

CERTIFICATION
Higher National Diploma, leading to BA (Honours).

ENTRY REQUIREMENTS
Leaving Certificate or equivalent Higher Level English is an advantage but not essential. Mature students are welcome to apply. Candidates must attend an interview and ideally show a small portfolio of writing. See guidance on our website.

PROGRESSION / COLLEGE LINKS
CDCFE offers a Top-up Honours Degree in Broadcasting and Journalism. Students who meet the entry criteria can progress to this final year. See details elsewhere in this prospectus.

Graduates with a Distinction average also have a number of other Higher Education opportunities.

DIRECT PROGRESSION:
- BA (Hons) Journalism and Digital Media, Independent Colleges Dublin.
- BA (Hons) Journalism and Visual Media, Griffith College Dublin.
- BA Journalism, Griffith College Dublin.
- BA Journalism and Media, Dublin Business School
- BA (Hons) Creative Arts, University of Cumbria.
- BA (Hons) Digital Media, University of Wolverhampton.
The course is designed to prepare learners for a professional career in Animation and related fields. Learners study fundamental skills and develop their knowledge using both traditional techniques and the latest computer technology. Areas covered include Animation Principles, Experimental Animation, Stop Motion Animation, Life Drawing, 2D Digital Animation, 3D Digital Animation, Special Effects, Compositing, Film and Critical Studies, Layout, Scriptwriting, Character Design and Storyboarding.

**COURSE CONTENT**

**YEAR 1: ANIMATION FOUNDATION (QQI LEVEL 5)**
- Drawing for Animation
- Animation Layout Design
- Image Processing
- Appreciation of Art Craft and Design
- Life Drawing
- Sculpture
- Painting
- Work Experience
- Communications

**YEAR 2 AND 3 (HND IN ANIMATION)**
- Individual Project
- Visual Narratives
- Media Practices
- Material Practices
- Screen Based Practices
- Techniques and Practices
- Contextual Studies
- Professional Development
- Professional Practice
- Applied Practice Collaborative Project
- Advanced Art Practice Studies
- Moving Image
- 3D Modelling and Rendering
- Advanced Life drawing

**BA (HONS) ANIMATION**
This Top-Up degree is taught on campus at CDCFE, Coolock and validated by University of Wolverhampton. For entry criteria and further information please see Top-Up Degree page.

**CERTIFICATION**
- QQI Award Level 5
- HND
- BA Hons

**DURATION AND ENTRY REQUIREMENTS**
- 3 or 4 years with BA (Hons) Degree option.
- Leaving Certificate (including LCA) and interview with portfolio.
- Mature and postgraduate students are also actively encouraged to apply for this course.

**CAREER OPPORTUNITIES**
Animation studio production, development, compositing and post production. Illustration, Graphic Design, Film, Television, Multimedia, Advertising, Computer Games Industry. Graduates have gained employment in Irish companies such as Brown Bag Films, Boulder Media, TreeHouse Republic, Jam Media, Magpie 6 Media, Cartoon Saloon, Kavaleer, Gingerbread Animation Pewter Games, Studio Powwow.

**PROGRESSION TO DEGREE LEVEL**
If students complete a HND with a Merit profile they are eligible to apply for a one-year Top-up Degree in CDCFE (BA Hons in Animation awarded by the University of Wolverhampton) or advanced entry to BA (Hons) Animation, IADT Dun Laoghaire and BCFE Ballyfermot.
Photography students at CDCFE will build on previous experience to apply their skills in the areas of technique and vision to an advanced level suitable for employment or starting a business or further study. Students are encouraged to blend artistic, documentary or journalistic work into a portfolio reflecting their own personal style.

This course gives students the opportunity to acquire the principles, techniques and creative skills needed for a career in the Photography Industry. The course interweaves acquiring digital and traditional skills for photography along with real world practical projects.

COURSE CONTENT

CERTIFICATION
QQI Award Level 6.

DURATION
One year.

ENTRY REQUIREMENTS
QQI Level 5 Certificate in a related area. Mature and postgraduate students are also actively encouraged to apply for this course.

CAREER OPPORTUNITIES
There are career opportunities in a variety of areas including Newspapers/Magazines, Advertising, Websites, Corporate Publications, Weddings, Family Occasions, Events etc.

PROGRESSION TO DEGREE LEVEL
QQI Level 6 Photography provides an ideal platform for graduates to apply for advanced entry to the degree programmes in Photography in TU Dublin, IADT Dun Laoghaire or Griffith College among others (subject to portfolio submission).
This course aims to prepare students for employment in the Hairdressing Industry. Students will be given training and confidence to secure an Apprenticeship in a Hairdressing Salon. Emphasis is placed on all key areas of Hairdressing that will enhance students’ techniques, creative and inter-personal skills. All practical training takes place in our fully equipped Hair Salon.

**COURSE CONTENT**

**CERTIFICATION**

QQI Level 5.

**DURATION**

One year.

**ENTRY REQUIREMENTS**

Leaving Certificate (including LCA) and interview. Mature students are welcome to apply.

**CAREER OPPORTUNITIES**

Junior Stylists, Theatrical and/or Film, Hairdressing Retail outlets, Hairdressing.

**PROGRESSION**

Placement as a Senior First Year Apprentice in a Hairdressing Salon. Opportunity to progress to Junior Trades Hairdressing Certificate in Coláiste Dhúlaigh College of FE.

**COLLEGE LINKS**

Please refer to the QQI links on our website www.cdcfe.ie or www.QQI.ie
Performing Arts
Higher National Diploma, Leading to BA Hons.

This is a vibrant, vigorous and creative course, designed to give students the opportunity to develop skills that can help them advance to further study and the professional world of Performing Arts. The course offers an opportunity to improve your performing, auditioning and technical production skills. You will learn to work collaboratively with other creative individuals, to display your talents and discover your strengths. Students will work in various professional theatres and performance venues. Our tutors and visiting practitioners are industry professionals. Entry to the course is through interview and audition.

COURSE CONTENT
YEAR 1
Professional Development, Acting, Voice and Speech for Actors, Acting for camera, Stagecraft, Movement for Actors, Singing.

YEAR 2

CERTIFICATION AND DURATION
Higher National Diploma in Performing Arts (Two years)
BA Hons Top-up in Drama - University of Wolverhampton (One year)

ENTRY REQUIREMENTS
Leaving Certificate (including LCA), appropriate approved prior learning (APL), interview and audition required. Mature students are welcome to apply.

CAREER OPPORTUNITIES
Graduates of our course can pursue a career in many areas of Theatre/Film and the broader Entertainment Industry. Progression to Top-up degree in Coláiste Dhúlaigh College of FE or MA in both UK and Irish Colleges are also options.

COLLEGE LINKS
CDCFE now offers a one-year Top-up (BA Hons) Degree in Drama validated by the University of Wolverhampton.
This course encompasses many aspects of computing from Scientific Foundation, to Programming, Systems Analysis and familiarisation with a range of industrial and commercial applications.

**COURSE CONTENT**

**YEAR 1**

**YEAR 2**

**CERTIFICATION**
QCI Level 5 and Level 6.

**DURATION**
Two Years.

**ENTRY REQUIREMENTS**
Leaving Certificate (minimum pass / O6 in ordinary level Mathematics) and interview. Mature students are welcome to apply.

**CAREER OPPORTUNITIES**
Students can anticipate employment as Computer Technicians, web designers, software and hardware support specialists and computer sales professionals. Alternatively, they may use the course as a sound academic basis for further study.

**COLLEGE LINKS**
Successful students may progress to the second year of the Degree in Computer Science (DT228) or the Computing degree (DT211) in TU Dublin (Requires Leaving Cert. 03 in ordinary level Mathematics) and also to the second year of computing courses in TU Dublin and National College of Ireland. Refer also to the QQI links section on our website.
This two-year course is designed to build the student’s confidence and skills in Computer Networking, Computer Systems Configuration and Computer Maintenance. The course has a high practical content to maximise and develop new skills.

**COURSE CONTENT**

**YEAR 1**

**YEAR 2**

**CERTIFICATION**
QQI Level 5 and 6.

**DURATION**
Two years.

**ENTRY REQUIREMENTS**
Leaving Certificate (including LCA) and interview. Mature students are welcome to apply.

**CAREER OPPORTUNITIES**
Computer Networking, Computer Maintenance, Electronics as well as Information and Communications Support Area.

**COLLEGE LINKS**
Students who successfully complete Year Two will gain advanced entry to Year Two of the Level 7 degree in Networking Technology in TU Dublin. Students may also progress to the final year of an honours degree in Sunderland University.
IT Technician is a full-time course that runs for one year. The successful learners gain a solid understanding of Information Technology and Computer Networking as they complete a full award at QQI Level 5. This course will serve as a pre-apprenticeship course for the FIT, ICT Associate Professional Apprenticeship programme.

This is a modern, dynamic course that offers students the opportunity to acquire the essential skills needed to gain employment in the thriving IT sector.

**COURSE CONTENT**

Networking Essentials, Database Methods, Information and Communication Systems, Spreadsheet Methods, The Internet, Web Authoring, Communications and Work Experience.

**DURATION**

One year.

**ENTRY REQUIREMENTS**

Five passes in the Leaving Certificate or overall Merit in the Leaving Certificate Applied.

**CAREER OPPORTUNITIES**

Computer Networking, IT support, Computer Maintenance or opportunities to gain advanced entry to further and higher education courses including the FIT, ICT Associate Professional Apprenticeship programme.

**HOW TO APPLY**

Apply online at www.cdcfe.ie.
This course is designed to meet the needs of a variety of students who wish to explore a number of areas in a technical/pre-apprenticeship setting. The course aims to develop skills, knowledge and expertise essential to gaining an apprenticeship in a range of trades in the Building Industry.

**COURSE CONTENT**

Engineering Workshop Processes, Work Experience, Computer Aided Design (2D), Woodwork Fabrication, Mathematics Level 5, Electronics, Safety and Health in the Workplace, Customer Service. Workshops in Safe Pass and Manual Handling will be an important element of this course.

**CERTIFICATION**

QQI Level 5.

**DURATION**

One Year.

**ENTRY REQUIREMENTS**

Candidates need to have completed Leaving Certificate, Leaving Cert Applied or equivalent. An interview is required. Mature applicants are welcome to apply.

**CAREER OPPORTUNITIES**

Students will have developed pre-apprenticeship skills that will make them eligible for employment in a technical setting or progression into a range of trades.

Students can use this major award (5M2061) to apply to colleges through the CAO and progress to a number of level 7 degrees in a number of ITs and Universities including TU Dublin and Dundalk IT.
Medical Laboratory Science  (One-year Top-up Level 6)
Higher National Diploma in Applied Biology Level 6

This course is designed to satisfy the increasing demand from students who wish to pursue a career in Applied Biology, Bio-Technology or Bio-Medical Science or continue their studies to degree level in the Sciences.

**COURSE CONTENT**
Biochemistry of Macromolecules and Metabolic Pathways, Molecular Biology and Genetics, Immunology, Analysis of Scientific Data and Information, Applied Sciences Research Project and 2 subjects from Stem Cell Biology, Genetic Analysis, and Epidemiology of Communicable Diseases.

**CERTIFICATION**
Higher National Diploma in Applied Biology.

**DURATION**
One Year.

**ENTRY REQUIREMENTS**
A full QQI Level 5 Laboratory Techniques (5M3807) award (to include the following modules, Laboratory Skills, Mathematics, Biology, Anatomy and Physiology and Microbiology). Applicants with other relevant qualifications may also be considered.
All candidates must attend an interview.

**CAREER OPPORTUNITIES / COLLEGE LINKS**
Laboratories, Hospitals, Food Manufacture and the Pharmaceutical Industries.

Students may also use the course for advanced entry to degree courses in the Life Sciences area, for example, successful students may gain advanced entry to Year 3 of the BSc (Level 7 degree) in Biomedical Science at the Institute of Technology Sligo. Biomedical students who complete Year 3 in IT Sligo may progress, subject to satisfactory progression grades, into Year 4 of the BSc of the Medical Biotechnology Level 8 degree. Students may gain advanced entry to Year 2 of the BSc in Biosciences (Level 7) in TU Dublin.
This course has been designed to meet the needs of a variety of students wishing to study Engineering, specifically those who did not satisfy the entry requirements for direct entry to a degree course, and adult returnees to education. Students can apply with the grades achieved in this course for entry into the following Level 7 Engineering degree courses in TU Dublin:

- DT002 - Engineering Systems Maintenance
- DT003 - Automation Engineering
- DT004 - Civil Engineering
- DT005 - Building Services Engineering
- DT006 - Mechanical Engineering
- DT008 - Electronics and Communications Engineering
- DT009 - Electrical and Control Systems
- DT010 - Electrical Services Engineering
- DT011 - Aviation Technology

The Level 7 General Entry course (DT097) is accessible to students who pass the Maths for STEM module and meet the TU Dublin points requirements (Higher Education Links Scheme).

In addition, students can gain entry to the following Level 8 Engineering degree courses in TU Dublin with a Merit grade in the Maths for STEM module and meet the TU Dublin points requirements (Higher Education Links Scheme):

- DT066 - Engineering (General Entry - can lead to year 2 of DT022, DT023, - DT024, DT026, DT027 and others)
- DT021 - Electronic Engineering
- DT028 - Transport Technology
- DT081 - Computer Engineering

**COURSE CONTENT**

Maths for STEM, Physics, Mechanics, Materials Science, Engineering Workshop Processes, Computer Aided Draughting (2D), Work Experience, Communications.

**CERTIFICATION**

QQI Level 5.

**DURATION**

1 Year.

**ENTRY REQUIREMENTS**

Five passes in Leaving Certificate (one of which should be a minimum of C3/O4 in Ordinary Level Mathematics). Leaving Certificate Applied is not suitable for this course. Mature students (over 21) who do not meet the minimum academic requirements but who can demonstrate the ability to successfully participate on the course will be considered.

**COLLEGE LINKS AND CAREER OPPORTUNITIES**

Students who meet the entry criteria explained will gain entry to the named courses by way of a Round Zero offer from the CAO. Students may also apply to Engineering courses in various other third level institutions through the Higher Education Links Scheme.
This course has been specifically designed to meet the needs of students who wish to study science to degree level in University. The course will cater for two different groups of learners: students who did not obtain the required Leaving Certificate points for their chosen Science course and students who wish to acquire a foundation in Science subject areas and Mathematics before entry to University.

Students who obtain an overall Merit (65%) grade will gain a place on the majority of courses outlined below. The course prepares students for entry to the first year of the following degree courses offered by the faculty of Health and Science in DCU.

DCU - Dublin City University
- BSc. in Analytical Science (DC161)
- BSc. in Chemical and Pharmaceutical Sciences (DC162)
- BSc. in Environmental Science and Health (DC166)
- BSc. in Applied Physics (DC171)
- BSc. in Bio-Technology (DC181)
- BSc. in Common Entry into Science (DC201)
- BSc. in Sports Science and Health (DC202)
- (Only 2 places available)
- BSc. in Science Education (DC203)
- BSc. in Physics and Astronomy (DC167)
- BSc. in Physics with Biomedical Sciences (DC173)
- BSc. in Genetics and Cell Biology (DC168)
- (Only 2 places available)

COURSE CONTENT
Laboratory Techniques, Physics, Chemistry, Biology, Mathematics, Microsoft Office Specialist, Communications.

CERTIFICATION
Examinations and assessments are conducted with external monitoring by DCU.

DURATION
One Year.

ENTRY REQUIREMENTS
Leaving Certificate with a minimum of a Grade O4 or H7 (C3) in Mathematics and interview. It is essential that all students who apply to this course meet the Maths requirement. Mature applicants (21+) who may not have all the formal academic requirements but who have the ability to successfully participate on the course may be considered but all mature applicants must have passed Leaving Certificate Mathematics.

COLLEGE LINKS AND CAREER OPPORTUNITIES
Students who meet the entry criteria in their chosen college will receive a Round Zero offer from the CAO for the relevant degree choice.
This course has been designed to meet the needs of a variety of students wishing to study Science, specifically those who did not satisfy the entry requirements for direct entry to a degree course and adult returnees to education.

Students who pass all modules including course practical work (the pass mark in each subject is 50%) may be eligible for entry to a variety of Level 7 and 8 degree courses in Universities and Institutes of Technology nationwide.

**COURSE CONTENT**

Biology, Chemistry, Physics, Mathematics, Laboratory Skills, Microbiology, Anatomy and Physiology, Work Experience, Communications.

**CERTIFICATION**

QQI Level 5.

**DURATION**

One year.

**ENTRY REQUIREMENTS**

Leaving Certificate with a minimum of a Grade O6/H7 (OD3/HD3) in Mathematics and an interview. Mature students (over 21) who do not meet the minimum academic requirements but who can demonstrate the ability to successfully participate on the course will be considered.

**COLLEGE LINKS AND CAREER OPPORTUNITIES**

Successful students may gain entry to a variety of courses. Students may also progress to participating Higher Education Institutions (HEIs) through the QQI Higher Education Links Scheme. All students who achieve a full award will be offered a place in Medical Laboratory Science (One-year Top-up, Level 6).
This course is suitable for those who have a Level 5 Award in a Computer Networks area who want to enhance and develop those skills to work in a technical helpdesk support role. The course will enable the learner to troubleshoot issues with both on premise hardware and, software and networking as well as virtual and cloud based environments.

The course will have a focus on the customer care and effective communications of technical solutions which have been highlighted as growth areas for employment by many large IT companies.

**COURSE CONTENT**

**CERTIFICATION**

QQI Level 6.

**DURATION**

One year.

**ENTRY REQUIREMENTS**

A background in Computer Networks is required for this course. Leaving Certificate and interview. Mature students are welcome to apply.

**CAREER OPPORTUNITIES**

Technical helpdesk support in both an IT and Customer Service role, and hardware support. Alternatively they may use the course as a sound academic basis for further study.
This is a two-year QQI Level 6 course which examines the theory and practice of Social Studies and Social Care. The wide range of modules offered enables students to gain a critical awareness of the way in which society works and provides the opportunity to investigate contemporary social issues and problems. Modules encompass a mix of Psychology, Sociology and practice-based subjects.

Learners are also enabled to improve their communication skills, self-awareness, critical reflection and interpersonal skills, all of which are central to working in Social Care.

Students will engage in supervised work experience over the two years that provides practical knowledge, skills and competence for the field of social care.

**CAREER OPPORTUNITIES**

Social Care involves working with marginalised or disadvantaged people in a caring, compassionate way. There is a wide range of career options in social care including:

Youth and community work, working with young offenders, the probation service, working with disadvantaged children, working with the physically or intellectually disabled, the homeless, the elderly, people with drug/alcohol dependency, asylum seekers/ refugees etc. Students may also find this course useful as a starting point for careers in policy or research based positions.

**ENTRY REQUIREMENTS**

Five passes in Leaving Certificate (one of which should be an O5 in Ordinary Level English) /LCVP or a Merit in Leaving Certificate Applied.

Mature applicants (21+) who may not have formal academic requirements but who have the ability to successfully participate on the course will be considered.

**COURSE CONTENT**

**YEAR 1**

Social Studies, Intercultural Studies, Psychology, Young People and Society, Care Support, Communications, Work Experience, Personal Effectiveness.

**YEAR 2**

Rehabilitation Practice, Disability Awareness, Person-centered Planning, Work Experience, Political Studies, Mental Health Awareness, Communications, Boundary Management.

**COLLEGE LINKS / PROGRESSION**

Graduates from this course may be eligible to gain entry to degree programmes in a number of Institutes of Technology or Universities with related courses through the Higher Education Links Scheme.
Outdoor Adventure Management

This challenging three-year course provides students with the opportunities to develop the skills, knowledge and qualifications necessary to gain employment in the adventure sector of the Leisure Industry. The Shackleton course has gained a reputation as Ireland’s foremost outdoor adventure course, with graduates working all over the world in the field of Outdoor Adventure. Outdoor Adventure Management students undertake the following pathway of study:

COURSE CONTENT

YEAR 1: CERTIFICATE IN OUTDOOR SPORT AND RECREATION
QQI LEVEL 5

- Hill Walking
- Dinghy Sailing
- Powerboating
- Windsurfing
- White-water Kayaking
- Rock Climbing
- Outdoor Recreation
- Outdoor Leadership and Safety
- Adventure Activities
- Rescue and Emergency Care
- First Aid
- Child Protection
- Communications
- Work Experience
- Expedition Planning.

YEAR 2: HIGHER NATIONAL CERTIFICATE IN SPORT (OUTDOOR MANAGEMENT)

- Physical Activity
- Lifestyle and Health
- the Sport Landscape
- Project Management
- Risk and Safety Management in the Outdoors
- Outdoor Learning
- Experiential Learning
- Small Craft Navigation
- Outdoor Leadership.

YEAR 3: HIGHER NATIONAL DIPLOMA IN SPORT (OUTDOOR ADVENTURE MANAGEMENT)

QQI Level 6

- Research Project
- Entrepreneurism in Sport
- Outdoor Facility Management
- Adventure Programming
- Event Management
- Adventure Therapy Facilitation
- Adventure Tourism.

NATIONAL GOVERNING BODIES CERTIFICATIONS

Over the three-year course, motivated students will have the opportunity to work towards a number of National Governing Body awards including: Irish Sailing Dinghy Instructor, Irish Sailing Advanced instructor and Catamaran instructor, Windsurfing Instructor, Power Boat and Safety Boat Instructor, Senior Instructor, kayaking level 1-3 instructor, Mountain Leader training, Rock Climbing Instructor.

CAREER OPPORTUNITIES

Adventure Centres, Leisure and Community Centres, Sports Development Officers, Adventure Travel, Youth Development Work, Yacht Delivery, Raft Guiding, PE Teachers, Army Officers, Members of An Garda Síochána.

COLLEGE LINKS

CDCFE are now running a one-year, Top-up Degree in Adventure Facilitation and Education in association with the University of Chichester. Students who complete the course with appropriate grades can apply for the Top-up Degree.

Other options for advanced entry include: Galway-Mayo Institute of Technology (Business and Outdoor Education), Waterford Institute of Technology (Leisure Management), IT Tralee (Adventure Tourism), Strathclyde University (Outdoor Education) and University of St Martin’s (Outdoor Education).

Please note: This course requires a high level of physical fitness and self-motivation.

It is estimated that the student should budget for €1500 per year in addition to the registration fee to cover the cost of personal gear, trips away and external qualifications.
This course is designed to equip the learner with the personal skills, knowledge and competence required for working with children in a professional manner, within Early Childhood Care and Education, Primary Education and Social Care settings. The course aims to provide the learner with the necessary skills required for assisting children with General Learning Difficulties (GLD) and Specific Learning Difficulties (SPLD). This course promotes the highest standards of good practice, equality of opportunity, an inclusive approach to curriculum development and respect for diversity in lifestyle, religion and culture.

COURSE CONTENT

YEAR 1
Child Development, Early Care and Education Practice, Early Childhood Education and Play, Child Health and Well Being, Work Experience, Communications, Special Needs Assisting, Creative Arts, Irish for Pre-Schools.

YEAR 2
Childhood Social, Legal and Health Studies, Child Development, Early Childhood Curriculum, Work Experience, Team Leadership, Supervision in Early Childhood Care, Early Childhood Literacy and Numeracy, Special Needs Assisting, Supervision in Early Childhood Care.

Students who do not already have a QQI Level 5 award in Early Childhood Care and Education may be required to do more than the minimum of 120 hours on work placement.

CERTIFICATION
QQI Level 5 and 6.

DURATION
Two years.

ENTRY REQUIREMENTS YEAR 1
Five passes in Leaving Certificate (one of which should be a D3/06 in Ordinary Level English)/LCVP or a Merit profile in Leaving Certificate Applied. Merit average grade in QQI Level 4 Childcare. Mature students (over 21) who do not meet the academic requirements but who can demonstrate the ability to successfully participate on the course will be considered.

For interview, please bring two written references (e.g. one school, one employer) and two passport photographs. Garda Vetting is a requirement for this course.

ENTRY REQUIREMENTS YEAR 2
This is an advanced course open to students who hold a QQI Level 5 award in Early Childhood Care and Education or its equivalent with a Merit profile (5 Merits in mandatory modules). Applicants must have two written references.

CAREER OPPORTUNITIES
Upon successful completion of this course, students are qualified for employment as Child Care workers in Early Childhood Care and Education settings. Graduates from this course may gain entry to Degree Programmes in a number of Institutes of Technology with related courses through the Higher Education Links Scheme.

PROGRESSION
TU Dublin, BA Early Childhood Care and Education (Level 7 and Level 8).
TU Dublin, BA Early Childhood Education.
NCI BA Early Childhood Education (part-time).
St Nicholas Montessori College.

WORK PLACEMENT
Students are required to carry out a minimum of 120 practice placement hours per year in any of the following settings: A Registered ECCE setting as recognised by the HSE, a recognised Primary School as per the Department of Education and Skills and a recognised Montessori school.
Youth Activities Worker
QQI Award Youth Work (Level 5 – 5M4732)

This innovative one year course examines the provision of youth work. We will examine the theory and practice of Youth Work and Outdoor Education to help us better understand the potential of outdoor activities to deliver youth work outcomes. The wide range of modules offered enables students to gain a critical awareness of the way in which youth work operates and how it can be supported through adventurous experiences. Learners are also enabled to improve their communication skills, self-awareness, critical reflection and interpersonal skills, all of which are central to working in a youth work and outdoor learning setting. To equip students with the skills to work with young people in an outdoor environment, students will have the opportunity to gain experience in a variety of outdoor settings. This is achieved through participation in a variety of outdoor activities such as rock climbing (outdoor and indoor), kayaking, hill walking, environmental education, bushcraft/survival skills and forest based activities.

Students will engage in supervised work experience over the year which provides practical knowledge, skills and competence for the field of youth work.

CAREER OPPORTUNITIES
Youth Work involves working with marginalised or disadvantaged young people in a caring, compassionate way. There are a wide range of career options in youth work including: Youth and community work, working with young offenders, the probation service, working with disadvantaged children, working with young people with physical or intellectual disabilities, drug/alcohol dependency, asylum seekers/refugees etc.

ENTRY REQUIREMENTS
Five passes in Leaving Certificate (one of which should be a 05/C3 in Ordinary Level English) or a Merit in Leaving Certificate Applied. Mature applicants (21+) who may not have formal academic requirements but who have the ability to successfully participate on the course will be considered.

COURSE CONTENT

COLLEGE LINKS / PROGRESSION
Graduates from this course may gain entry to Social Care Level 6.

Graduates can also apply to Degree programmes in a number of Institutes of Technology with related courses through the Higher Education Links Scheme.
The minimum requirements to study Primary School Teaching are:
- Irish H4
- English H7/O4
- Maths H7/O4

This course is aimed at:
- Students who achieved the required points for B. Ed (Primary Teaching) for 2019 but did not achieve H4 in Higher Irish. This course will prepare you to re-sit your Honours Irish and also achieve a QQI Level 5 in Education and Training. The student can then apply again through CAO for 2020.
- Students who did not get the points for B. Ed (Primary Teaching) but still want to teach – the QQI Level 5 in Education and Training will allow you to apply to the following courses with this award:
  - DCU : DC010 Post Primary Teacher Education in Religious Education and English
  - DCU : DC011 Post Primary Teacher Education in Religious Education and History
- It is also aimed at mature students.

**COURSE DESCRIPTION**

Students will undertake Leaving Certificate Irish at Higher Level and follow a QQI Level 5 Education and Training Award 5M3635. This award offers a wide range of modules which enables students to gain a critical awareness of the Irish Education system from a historical and contemporary viewpoint and introduce them to a variety of pedagogical skills. Learners are also enabled to improve their communication, critical reflection and interpersonal skills, all of which are central to working in an educational setting.

Students will engage in work experience as Classroom Assistants.

**OTHER CAREER OPPORTUNITIES**

A career as a Special Needs Assistant (SNA) involves working with children and young adults with General Learning Difficulties (GLD) and Specific Learning Difficulties (SPLD) in Mainstream Education at Primary and Post Primary, Special Schools, Day Care Centres and Clinics or as Personal Assistants.

**ENTRY REQUIREMENTS**

Garda Vetting and Leaving Certificate grades above.

**COURSE CONTENT**

Students will also have the opportunity to complete Leaving Certificate Higher Level Irish.

**COLLEGE LINKS / PROGRESSION**

Alternative progression routes to becoming a primary school teacher

Dublin City University
- Study DC009 : BA (Joint Honours) with Irish and one other subject and then complete PME – Professional Master of Education: Primary Teaching DC970
- Study DC001 : Early Childhood Education Level 8 followed by PME – Professional Master of Education: Primary Teaching DC970

Marino Institute of Education
- Study CM020 : B. Sc Early Childhood Education followed by PME – Professional Master of Education (Primary)
Pre-University Sport Science
QQI Award (Level 5 – 5M5146)

This course introduces students to the broad and expanding area of Sport Science and Physiology. The course provides students with the skills, knowledge and qualifications necessary to gain employment in the Fitness and Leisure industry or to lay the foundations for further study in this area. It is important for prospective students to know that it is a theory-based course with some practical elements.

COURSE CONTENT
Sport Anatomy and Physiology, Exercise and Fitness, Body Massage and Figure Analysis, Kinesiology, Sport and Injury Prevention, Nutrition, Sport and Recreation Studies, Team Working, Work Experience and First Aid Responder training.

DURATION
One year.

ENTRY REQUIREMENTS
Leaving Certificate, interview and a science subject at Leaving Certificate. Students must apply for Garda Vetting at registration in September.

CAREER OPPORTUNITIES
On completion of this course, students may wish to continue their studies in the Biological Sciences or Exercise Science, or they may wish to enter directly into employment in the Health and Fitness Industry.

PROGRESSION
Students can progress from this course to Institutes of Technology and Universities, including TU Dublin, Dundalk IT, Carlow IT, UCC, Tralee IT, through the Higher Education Links Scheme on obtaining a full Award with specific requirements. There is a direct link to the second year of the Sports Science degree offered by the University of Sunderland. Students can also progress to the degree offered by the Institute of Physical Therapy.

Students can also progress to Saxion University of Applied Sciences in The Netherlands to complete Bachelor in Physiotherapy as an EU student.
Physiotherapy Assistant (Health Service Skills)
QQI Award (Level 5 – 5M3782)

This course aims to provide the learner with the necessary skills required to progress to potential employment as a Physiotherapy Assistant or a Health Care Assistant. The course covers Physiotherapy Assistant Theory, Physiotherapy Assistant Practice and Massage as well as the Healthcare modules to equip the learner with the skills and knowledge required to care for clients as required by the Health Service Executive (HSE) to gain employment in the Healthcare sector.

**COURSE CONTENT**
Care Support, Infection Prevention and Control, Sport Anatomy and Physiology, Work Experience, Communications or Customer Service, Physiotherapy Assistance Practice, Physiotherapy Assistance Therapy, Care Skills, Body Massage and Figure Analysis.

Training in Occupational First Aid and Patient Handling will be an important element of this course. Students must undertake 120 hours of work placement to complete the course and must secure this placement themselves in a Healthcare setting.

**CERTIFICATION**
QQI Level 5.

**DURATION**
One year.

**ENTRY REQUIREMENTS**
Leaving Certificate with a minimum of five passes and an interview. A science subject at Leaving Certificate would be desired. Students must apply for Garda Vetting at registration in September.

**CAREER OPPORTUNITIES/PROGRESSION**
On completion of this award, students can progress to potential employment as a Physiotherapy Assistant in a physiotherapy department or as a Health Care Assistant in the Healthcare Industry.

Students can use points gained at QQI to progress to further studies in closely related and highly interesting courses in third level institutions across Ireland and UK. Students can also progress to Saxion University of Applied Sciences in the Netherlands to complete Bachelor in Physiotherapy as an EU student.
Health Science (Pre-Nursing)

This course introduces students to the broad and expanding area of Health Science and Nursing. It has been designed to meet the needs of different groups of students:

- Students who did not obtain the required Leaving Certificate points for their chosen nursing course can use this course as a progression route.
- Students who were ineligible to progress to a degree programme because they did not study a science subject for the Leaving Certificate.
- Students who may or may not have gained necessary Leaving certificate points, who wish to gain invaluable preparative skills for progression to university programmes, such as meeting assignment deadlines, working to a programme schedule, becoming familiar with a college learning management system, Turnitin, assignment structure, alongside the development of interpersonal, research and communication skills.

**COURSE CONTENT**

Additional courses in First Aid Responder training, Patient Handling and Safeguarding of Vulnerable Adults will be an important element of this course. Students must undertake 60 hours of work placement to complete the course and must secure this placement in a Healthcare setting.

**CERTIFICATION**

QQI Level 5 in Nursing Studies.

**DURATION**

One year.

**ENTRY REQUIREMENTS**

Leaving Certificate and interview. A science subject at Leaving Certificate is desirable. Mature students are welcome to apply. A written reference should be presented at interview.

**CAREER OPPORTUNITIES**

This course will also serve as an excellent foundation in the core subjects for students who wish to pursue careers or further study in the Health Care profession.

**COLLEGE LINKS**

Graduates of this course may use the QQI links scheme to progress to a wide variety of courses offered by the Universities and Institutes of Technology in Ireland.

CDCFE has a link with the University of Wolverhampton and will accept students with a Merit profile and go through an interview process. Students can also progress to the University of Napier and University of Dundee, both in Scotland, to pursue their Nursing degree. Both of these Scottish Universities ask for a minimum of five distinctions.
Nutrition and Lifestyle Coaching
BTEC Higher National Certificate in Sport and Exercise (Exercise, Health and Lifestyle)

This course is designed to equip the learner with the necessary skills to work as an independent Nutrition and Lifestyle coach. It is designed for those wishing to coach individuals and groups towards long term diet and lifestyle changes for improved health and wellbeing. The course will combine scientific theory based learning along with its practical application.

In addition to the mandatory modules, students will be given the opportunity to become certified first aid responders. A qualification from ITEC in Holistic Massage will also be offered.

COURSE CONTENT

CERTIFICATION
BTEC Higher National Certificate in Sport and Exercise (Exercise, Health and Lifestyle).

DURATION
One Year.

ENTRY REQUIREMENTS
Leaving Certificate and interview. A science subject at Leaving Certificate would be desirable. Applicants with prior learning will also be considered. All knowledge, skills and competencies accumulated through life and work will be considered.
Students must apply for Garda Vetting at registration.

CAREER OPPORTUNITIES
On completion of this course, students can commence a career as a Nutrition and Lifestyle Coach. The HNC can be combined with further study to attain a Higher National Diploma.
Enhance your creative career opportunities and explore your full potential with a one-year BA Honours Top up Degree in Drama. Accredited by The University of Wolverhampton, our (BA Hons) Drama course has been developed by industrial professionals to be relevant to our students.

Practically and creatively led, this course will be delivered on a part-time basis on our Killbarack campus, with a minimum of twelve contact hours per week. The technical and performance elements of the course will take place primarily in the nearby Axis Theatre. The course requires full commitment from participants as self-directed learning is central to successful completion of the Top-up degree.

The course, which is taught by industry professionals, will develop learners’ ability to engage creatively and effectively with the production of performance through a critical understanding of performance techniques, working methods and vocabulary. Students will be encouraged to engage in independent, critical thinking and to use imagination, creativity and organizational skills.

The Top-up Degree is self-financed by participants and costs €3,500 which will be paid in three instalments. Learners undertaking the programme will not qualify for a grant but may qualify for other social welfare allowances.

ENTRY REQUIREMENTS
Applicants will be interviewed and should hold a relevant HND with Merit/Distinction profile or equivalent qualification, as well as portfolio of work and experience. Mature students with relevant experience are welcome to apply. Academic or employer references are essential.

COURSE CONTENT
Contemporary Perspectives (Live Art Practice) Applied Theatre, Independent Producer (Site Based and Immersive Theatre) Contemporary Contexts, Professional Project.

CERTIFICATION
BA (Honours) from the University of Wolverhampton.

COST
The programme is offered as part of our evening and day-time self-financing education provision.
This one-year course will be delivered on a part-time/evening basis at our Coolock campus, with a minimum of twelve contact hours per week. The radio broadcasting elements of the course will take place in the nearby NEAR FM radio facilities. The course requires full commitment from participants, as self-directed learning is central to successful completion of the Top-up degree.

The course, which will be taught by industry professionals, will develop learners’ ability to communicate effectively via a range of broadcast and digital platforms. You will be encouraged to engage in independent, critical thinking and to use your imagination, creativity and organizational skills. Participants should also demonstrate the ability to work to deadlines in the creation of journalistic items for broadcast/publication.

**COST**

This Top-up Degree is self-financed by participants and costs €3,500, which will be paid in three instalments. Learners undertaking the programme will not qualify for a grant but may qualify for other social welfare allowances.

**ENTRY REQUIREMENTS**

Applicants will be interviewed and should hold a relevant HND with Merit/Distinction profile or equivalent qualification, as well as portfolio of work and experience. Mature students with relevant experience are welcome to apply. Academic or employer references are essential.
Practically and creatively led, our Level 8 Top-Up degree in Film and Television Production offers academic and practical subjects. An intensive industry led programme, the course is taught by industry professionals and is supported by guest lectures from leaders of the various fields within the Irish Film and Television Industry.

Students benefit from the expertise of film directors, producers, professional crew in the areas of Camera and Sound, and in the areas of New Media, Distribution, Screenwriting and Script Editing, as well as representatives from Film and TV Irish industry bodies and organisations.

Students undertake a series of practically led modules. In addition to the Documentary Production module in Semester 2, students will undertake a year long production module which tasks students with developing a screenplay and leading the production of a short film in a creative, collaborative and professional way. These films will be screened at the end of year CDCFE Degree Screening in the Lighthouse Cinema, Dublin.

Other modules cover areas such as Opportunity, Entrepreneurship and Employment in the Creative Industries in Ireland and abroad, Collaborative Skills in Film and Television Production as well as an Academic Research Project which explores specialist topics of interest proposed by each student.

**COURSE CONTENT**
- Pre-Production
- Documentary and Factual Production
- Major Project Production
- Collaborative Video and Film Production
- Dissertation
- Employability in the Creative Industries

**CERTIFICATION**
Bachelor of Arts (BA Honours) from the University of Wolverhampton.

**ENTRY REQUIREMENTS**
A relevant BTEC HND with grades adding up to a minimum of 16 points (Merit =1 point, Distinction=2 points) or an equivalent HETAC qualification. Relevant independent work and professional work experience is also considered. Applicants must provide links to a relevant portfolio of work prior to interview.

Your application will be assessed based on the portfolio provided and interview.

An employer’s/college reference is essential.
All applicants should show an aptitude and commitment to the subject matter and to an intense degree year.
All applicants must provide their latest qualification results and a link to an online portfolio of work prior to their interview.

**CAREER OPPORTUNITIES AND ACADEMIC PROGRESSION**
This course provides students with the platform to enter many areas of the Film and Television Industry. Recent graduates from the College’s Media Department have found employment in Ireland and abroad as Production Assistants, Camera Operators, Vision Engineers, Video Production Company Owners, Sound Engineers, Directors and Producers, Post-Production.

With the Level 8 BA (Hons) qualification, students can pursue postgraduate study in any third-level institution in Ireland or abroad.

**APPLICATION PROCESS**
Application forms will be available to download from the college website through a specific link from February each year. Applicants that meet the minimum entry requirements will be invited for interview.
Top-Up Degree in Animation
BA (Hons) Degree in Animation

This one year Top-up Honours degree programme has been developed with the growing national Animation Industry and its impact at home and abroad in mind. The course is taught by industry professionals and features a number of visiting industry guest lecturers and workshops during the year.

These programmes are offered as part of our evening and day-time self-financing education provision. Learners will not qualify for a grant but they may qualify for other social welfare allowances. The cost of the programme will be €3,500, to be paid in three different instalments.

Structure of the course: twelve hours tuition minimum per week, over three evenings per week. Access and facilities outside those hours will be provided for students to carry out project work on their own. All participants are also required to undertake a professional placement outside the programme delivery time. This is an intense and self-directed programme, where the students are encouraged to produce quality work that can compete at major festivals.

COURSE CONTENT
The main focus of the BA year is a major project. Three of the five modules feed into what is essentially a practical thesis project. It is self-directed work, chosen by the student according to his/her interests and strengths.

CERTIFICATION
BA (Honours) from the University of Wolverhampton.

ENTRY REQUIREMENTS
Applicants will be expected to have a relevant BTEC HND with a minimum of ten Merits or an equivalent HETAC qualification. Applicants will be expected to submit online links to their animation work from the last three years maximum prior to interview. Students who have completed a QQI Level 6 Animation will be considered if their work meets the criteria and standard for HND. If you are over 21, relevant work experience in animation or in related fields will also be taken into consideration. Your work will be assessed based on portfolio and interview. An employer’s/college reference is essential.

CAREER OPPORTUNITIES
Work in various areas of the growing national Animation Industry.

COLLEGE LINKS
With the BA Honours qualification, students can pursue postgraduate study in any third-level institution in Ireland or abroad.

APPLICATION PROCESS
Application forms will be available to download from the college website through a specific link from February each year. Applicants that meet the minimum entry requirements will be invited for interview.
Coláiste Dhúlaigh College of Further Education is now offering a one-year degree programme in Adventure Facilitation and Education (BA Hons) in partnership with the University of Chichester.

Accredited by the University of Chichester, the programme has been developed by the coordinator and tutors to be relevant to our students, the growing Outdoor Adventure Industry and its impact both at home and abroad.

The course is a unique blended-learning programme, combining academic studies with a strong philosophical and psychological foundation, which incorporates practical placement for students to apply their learning. Modules include: The Reflective Practitioner, Soft Skills Facilitation, Advanced Pedagogical Skills, Applied Coaching, Issues in Adventure Environments, Dissertation.

The course will be taught by industry professionals and will feature a number of workshops and visiting guest lecturers.

The course will be delivered on a part time basis at our Coolock Campus, with a minimum of twelve contact hours per week. The course is to be delivered over two afternoon/evenings (Tuesday and Wednesday) with the remainder of the week given to industry experience.

The course requires full commitment from participants, as self-directed learning is central to successful completion of the Top-up degree.

ENTRY REQUIREMENTS

Applicants should hold a Higher National Diploma (HND) with Merit profile – a minimum of ten/sixteen Merits, or a Level 7 degree in a relevant area along with a minimum of two years’ industry experience.

Mature applicants (21+) who may not have the formal academic requirements but who have the ability to successfully participate on the course will be considered.

Academic and employer references are essential.
Coláiste Dhúlaigh College of Further Education provides FREE full and part-time education and training opportunities for unemployed adults hoping to up-skill, refresh skills, or enhance their education and job prospects.

Return to Education FREE full-time educational opportunities fall under the Vocational Training Opportunities Scheme (VTOS). Applicants over 21 and receiving one of the qualifying Social Protection payments for at least 6 months before starting the course qualify for VTOS while retaining their benefits. Participation in a CE or FAS scheme counts in the calculation of six months once applicants are on the relevant Social Protection payments immediately before starting the course.

Return to Education FREE part-time educational opportunities fall under Back to Education Initiative (BTEI)* Applicants receiving Social Protection payments immediately before starting the course qualify for BTEI, while retaining their benefits (*subject to funding).

All Return to Education full-time or part-time applicants will be given individual guidance by qualified tutors who are in a position to make recommendations as to what courses may suit their learning needs.

Please apply online at [www.cdcfe.ie](http://www.cdcfe.ie).

The Back to Education Initiative (Part-time Programme) is funded by the Irish Government and part funded by the European Social Fund under the Human Capital Investment Operational Programme 2007-2013.
You might wish to avail of the Adult Literacy Service which is free and confidential. You can work on your basic skills in Reading, Writing, Maths, and Computers, either in a one to one session with a volunteer tutor, or in a small group. About half of the classes work towards a certificate at QQI Levels 2, 3, and 4. We focus on the needs of the individual learner and our aim is to assist you in achieving your goal. For further information please contact:

Fionnuala Carter
Adult Literacy Organiser
Tel: 01 848 7172
Email: fionnuala.carter@aes.cdetb.ie

The following skills are included in our programme:
- Reading, Writing, Spelling
- Maths
- Computers
- Form filling
- Job applications
- Using your mobile phone or tablet
- Help your child learn
- Using social media
- Preparing for the Driver Theory Test
- English for speakers of other languages

You can choose from the following tuition options:
- One-to-one
- Small group
- Day/afternoon and evening classes are available.
- Accreditation at QQI Levels 2, 3, and 4.
- This service is free and confidential.
- Most classes take place in Coláiste Dhúlaigh CFE Coolock Campus but we also work in other centres that may suit you better.
Day and Evening Courses

PART-TIME PROGRAMME: FUNDED THROUGH SELF-FINANCING

While most of our programmes offered are full-time, we also have a range of course options for persons who wish to return to education on a part-time basis, day or evening. These courses are targeted at people who desire certification and/or specific interest/hobby courses which are offered in our self-financing FEPT: Part-time Day and Evening Programme.

Course Director: Pat Garvan
Tel (01) 848 1400
Email fept.dhulaigh@gmail.com
FEPT: Further Education Part Time

COURSE LOCATION
Most part-time courses are based in the Coolock Campus. Do check your course location on enrolment.

PART-TIME DAY AND EVENING COURSES
FEPT @ CDCFE offers a stimulating range of part-time courses during the day and evening. These courses are designed to improve the student’s competence and skills and to prepare for advancement in your journey in education and/or your career. Our part-time courses are also for those who wish to return to education for the enjoyment of learning itself and/or for social interaction.

COMMUNITY INVOLVEMENT
A feature that the college is proud of is its proactive response to the national skills strategy and the educational needs of the local working population, community groups and the individual. Self-financing evening provision is now recognised in Solas’s current FET Development Plan as a beneficial pathway towards meeting Ireland’s skills needs. Our Part-Time Department welcomes any request for new courses from an individual or group of people. This will assist the CDCFE towards an agile and responsive provision.

APPLICATION
Applications for all courses should be made directly to CDCFE, Coolock campus only. You may apply by post, phone or by visiting the college. Application forms maybe requested by email/post. The appropriate fee should accompany all postal application forms. View our current FEPT brochure or visit the college website: www.cdcfe.ie/parttime for course costs and further details.

CERTIFICATION
For all certified courses please ensure you provide the college with: the name you wish to appear on your certificate; your gender; date of birth; PPS number and contact details [phone and address]. Courses preparing students for work with vulnerable persons require work experience and also a Níl Garda Vetting report as part of those programmes.

COURSE FEES
Course fees must be paid in full at enrolment. Cheques, postal orders and drafts should be made payable to the ‘City of Dublin ETB.’ Please do not send cash with postal applications.
Fees are only refunded where a class fails to form. Duration of term may be adjusted to suit demand. Partial fee waivers are available for some social welfare recipients - enquire at registration. Proof of PPS number and evidence of status is essential from the relevant state agency, a copy of which must accompany your fee waiver request at the time of enrolment.

Fees can now be paid over the phone using your debit/credit card 01 8481400.
See website for further details – www.cdcfe.ie/part-time

CAR PARK
A supervised car park is available, however, cars are parked at owners’ risk.

ENROLMENTS – BY POST OR PHONE
Autumn: September 2019
Day: Monday to Friday, walk-in.
Evening: Monday and Tuesday 6.00 - 7.00 p.m.

Spring: January 2020
Day: Monday to Friday, walk-in.

No evening enrolment for Spring term.
VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

This special purpose award is the new professional qualification for tour guides which replaces the former system of badge certification by Fáilte Ireland.

On completion of the course, students will be equipped with the necessary organisational and communication skills to participate effectively in the ever-expanding Tourism Industry. This is a national award and successful candidates will gain certification that will enable them to work in all regions of Ireland.

In addition to the mandatory modules, students will be given the opportunity to become certified first-aid responders. We also provide instruction in essential aspects of strategic and ‘hands-on’ digital marketing. This develops key competencies for those students who would like to establish their own tourist related business and also for those who are interested in the promotional aspects of the Tourism Industry. All students will be Garda Vetted.

The course is delivered through an integrated mix of on campus lectures, off-site visits to key tourist attractions and self-directed learning over three days each week.

**COURSE CONTENT**

Irish Tour Guiding, National Tour Management, Irish Natural Culture and Heritage, Digital Marketing.

**CERTIFICATION**

QQI Level 6

**ENTRY REQUIREMENTS**

All VTOS applicants must be over 21 and in receipt of or a dependent of a Social Protection payment for at least 6 months before starting the course. Participation in a CE or FAS scheme counts in the calculation of six months if you are in receipt of a relevant Social Protection payment immediately before starting the course. All applicants who present for this course will be given individual guidance by qualified tutors who are in a position to make recommendations as to what courses may suit their learning needs.

**CAREER OPPORTUNITIES**

This course will qualify successful participants to work as a self-employed tour guide or to seek employment in the Tourism/Heritage Industry throughout Ireland. It also delivers key skills to those who wish to participate in business and promotional aspects of the industry.
VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

The minimum requirements to study Primary School Teaching are:
- Irish H4
- English H7/O4
- Maths H7/O4

This course is aimed at:
- Students who achieved the required points for B. Ed (Primary Teaching) for 2019 but did not achieve H4 in Higher Irish. This course will prepare you to re-sit your Honours Irish and also achieve a QQI Level 5 in Education and Training. The student can then apply again through CAO for 2020.
- Students who did not get the points for B. Ed (Primary Teaching) but still want to teach – the QQI Level 5 in Education and Training will allow you to apply to the following courses with this award:
  - DCU : DC010 Post Primary Teacher Education in Religious Education and English
  - DCU : DC011 Post Primary Teacher Education in Religious Education and History
- It is also aimed at mature students.

COURSE DESCRIPTION
Students will undertake Leaving Certificate Irish at Higher Level and follow a QQI Level 5 Education and Training Award 5M3635. This award offers a wide range of modules which enables students to gain a critical awareness of the Irish Education system from a historical and contemporary viewpoint and introduce them to a variety of pedagogical skills. Learners are also enabled to improve their communication, critical reflection and interpersonal skills, all of which are central to working in an educational setting. Students will engage in work experience as Classroom Assistants.

OTHER CAREER OPPORTUNITIES
A career as a Special Needs Assistant (SNA) involves working with children and young adults with General Learning Difficulties (GLD) and Specific Learning Difficulties (SPLD) in Mainstream Education at Primary and Post Primary, Special Schools, Day Care Centres and Clinics or as Personal Assistants.

ENTRY REQUIREMENTS
All VTOS applicants must be over 21 and in receipt of or a dependent of a Social Protection payment for at least 6 months before starting the course. Participation in a CE or FAS scheme counts in the calculation of six months if you are in receipt of a relevant Social Protection payment immediately before starting the course. All applicants who present for this course will be given individual guidance by qualified tutors who are in a position to make recommendations as to what courses may suit their learning needs.

COURSE CONTENT
QQI (LEVEL 5) 5M3635

Students will also have the opportunity to complete Leaving Certificate Higher Level Irish.

COLLEGE LINKS / PROGRESSION
ALTERNATIVE PROGRESSION ROUTES TO BECOMING A PRIMARY SCHOOL TEACHER

Dublin City University
- Study DC009 : BA (Joint Honours) with Irish and one other subject and then complete PME – Professional Master of Education: Primary Teaching DC970

Marino Institute of Education
- Study CM020 : B. Sc Early Childhood Education followed by PME – Professional Master of Education (Primary)
VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

The course is designed to provide learners with a broad understanding of Community Development. Learners will engage and develop the knowledge, skills and competencies required when working with people in an educational and community development environment. As well as undertaking work placements, participants are invited to engage in a variety of workshops and tutorials. Each workshop/tutorial has a particular focus which may be psychological, sociological, creative or practical. These sessions cover interpersonal skills, leadership, social issues, community development, and reflective practice. The skills developed on this course are transferable across many fields of work from social care to business management.

**COURSE CONTENT**

**YEAR 1**
Social Studies, Care of the Older Person, Human Growth and Development, Care Provision and Practice, Team Working, Combined Materials, Word processing, Communications, Work Placement.

**YEAR 2**
Group Work Theory and Practice, Action Research, Community Development Theory, Community Development Practice, Person Centred Practice, Team Leadership, Work Experience, Social Analysis.

**CERTIFICATION**
QQI Level 5 and Level 6.

**DURATION**
Two years.

**ENTRY REQUIREMENTS**
All VTOS applicants must be over 21 and in receipt of or a dependent of a Social Protection payment for at least 6 months before starting the course. Participation in a CE or FAS scheme counts in the calculation of six months if you are in receipt of a relevant Social Protection payment immediately before starting the course. All applicants who present for this course will be given individual guidance by qualified tutors who are in a position to make recommendations as to what courses may suit their learning needs.

**PROGRESSION**
Successful candidates have gained places in first year of Universities such as Trinity College Dublin and National University of Ireland, Maynooth. Advanced entry options are accommodated on occasion to other higher level institutions such as Carlow IT and Institute of Technology Blanchardstown. Other graduates have gone on to work in the field of community development.

**CAREER OPPORTUNITIES**
This is an area of study that offers excellent career opportunities within education and the community development area.

**HOW TO APPLY**
Apply online at www.cdcfe.ie. For more information contact 01 831 4677 or email vtos@cdcfe.com
VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

IT Technician is a full-time course which runs for one year. The successful learners gain a solid understanding of information technology and computer networking as they complete a full award at QQI Level 5. This course will serve as a pre-apprenticeship course for the FIT, ICT Associate Professional Apprenticeship programme.

This is a modern, dynamic course that offers students the opportunity to acquire the essential skills needed to gain employment in the thriving IT sector.

**COURSE CONTENT**

Networking Essentials, Database Methods, Information and Communication Systems, Spreadsheet Methods, The Internet, Web Authoring, Communications and Work Experience.

VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

This course is tailored to meet the industry’s needs. We introduce students to the world of design including Commercial and Domestic Interior Design, Furniture, Lighting, Set Design and Exhibition Design. Students gain valuable experience working on live projects, competitions and industry workshops.

Throughout the course, students will create a professional standard portfolio that can lead to employment or advanced entry into the third year of a third level degree programme (pending portfolio and interview). Trips to European cities like Berlin, Barcelona and Paris are an integral part of the course.

**COURSE CONTENT**

This course offers a wide range of modules that cover all areas of 3D and spatial design. We also develop your drawing and 3D visualisation skills enabling you to produce professional presentations of your design projects. We focus on personal and professional development. We will deliver assignment briefs that give you an insight into the Design Industry and the challenges involved in Design Development. Students will also get the opportunity to showcase their work at an end of year exhibition which is held at a high profile venue in Dublin.

**YEAR 1**

Technical Drawing skills, Interior design, 2D and 3D CAD/ Sketch Up, Presentation skills, Professional Practice, Drawing and Design Skills, Surfaces and Materials Design, Contextual Studies in Design.

**YEAR 2**

Work Experience Abroad

Some students will have an opportunity to do work experience abroad. In the past students have gone to Budapest and Malta as part of the Erasmus project.

**SOFTWARE**

Current industry standard software is provided throughout the college including AutoCAD 2D, Google Sketchup and VRay, Adobe Illustrator, Adobe Photoshop.

**CERTIFICATION DURATION**

Two years (with option for advanced entry to BA (Hons) Degree courses).

**ENTRY REQUIREMENTS**

All VTOS applicants must be over 21 and in receipt of or a dependent of a Social Protection payment for at least 6 months before starting the course. Participation in a CE or FAS scheme counts in the calculation of six months if you are in receipt of a relevant Social Protection payment immediately before starting the course. All applicants who present for this course will be given individual guidance by qualified tutors who are in a position to make recommendations as to what courses may suit their learning needs.

**CAREER OPPORTUNITIES**

**PROGRESSION TO DEGREE LEVEL**

Advanced entry 2nd and 3rd year BA (Hons) Interior and Furniture design courses are available in TU Dublin, Griffith College, University of Ulster and University of Wolverhampton and many other UK universities.

*All advanced entry depends on final grades and standard of portfolio.

**HOW TO APPLY**

Apply online at www.cdcfe.ie.

For more information contact 01 831 4677 or email vtos@cdcfe.com
VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

This course prepares the student for the vibrant, creative and challenging world of fashion. The course promotes awareness of current industry trends, along with an understanding of the importance of good presentation skills. You will learn research skills, how to produce initial design ideas and how to develop designs through to a finished garment. The studios are equipped with high spec manufacturing equipment, computers and all software needed to generate design work. Tutors and contemporary designers from the fashion world are at hand throughout the course to support and develop your skills.

Creative Writing for Digital Media - VTOS
QQI Award Level 5

VTOS means Vocational Training Opportunities Scheme. VTOS gives unemployed adults over 21 the opportunity of returning to full time education, while retaining their benefits.

This course is designed for anyone with an interest in Creative Writing and Storytelling. Students will explore various aspects of writing and will be facilitated in developing both written and digital content for online platforms.

The course will focus on developing writing skills for fictional work as well as creation of promotional digital content for multi-platform delivery. Classes will be delivered in a relaxed environment and learners will be given the opportunity to build on existing and/or new story ideas.

The one year QQI Level 5 course will encourage students to share and critique ideas in a supportive setting. The skills to create media content to complement written material will be taught, giving students the necessary tools to make self-promotional material for digital storytelling.

COURSE CONTENT
Media Analysis, Creative Writing, Writing Skills for Journalism, Script Writing, Communications, Work Practice, Image Processing, The Internet.

DURATION
One year.

ENTRY REQUIREMENTS
