

Sports & Cultural Council Art, Craft and Design Awards 2024 Entry Form

Student Name	
College	
Course Course Year	
Category	

I am pleased to introduce the inaugural Art, Craft and Design Awards sponsored by City of Dublin ETB's Sports and Cultural Council.

This year we would like you to "RELECT" on your year at college and choose work you are most proud of and have completed as part of your coursework. This can be in any medium, format or theme and it should demonstrate your skills in the area you are studying.

There will be an award and prize for best student work in each category as well as a prize for highly commended entries. An exhibition of the winners' work online through "Art Steps" will take place, as well as a physical exhibition and award ceremony at the Coláiste Dhúlaigh CFE graduate show on 8th May, Raheny Campus. More details to follow.
